Street Railway Figures Out Deficit by Estimate of Amount to Put Plant Up to Date

Hamilton, Sept. 8.-(Special.)-The details of the city auditors' report on They show that the company has almost trebled the rate charged against the railway for power in the past four the railway for power in the past four years, tho the mileage has not increased to any extent. In 1900, the charge for power was \$12,442; and last year it was \$34,460. While no dividends have been paid since 1899, the company has piled up a sinking fund of \$122,648. The method used to show that the railway is in a financial hole is by presenting the estimate of an expert who figures that it will take some \$479,000 to put the plant and equipment in upstendate that it will take some \$479,000 to put the plant and equipment in up-to-dare shape. Against that, however, there is a sinking fund of \$138,000. The company paid dividends up till 1900, when the Cataract people took hold. The bonded indebtedness is \$500,000. On this statement the company will ask to be let out of the percentage that it has now to pay the city, to be allowed has now to pay the city, to be allowed concessions in the way of assessment, and to be allowed to withdraw limited tickets during the noon hour. 10,000 SEE FUNERAL OF MURDERED CHILD

New York, Sept. 8.—Sympathy and viriosity drew more than 10,000 persons an undertaking establishment to the uneral of Gertrude Hyland, two years being beaten on the head, it is said, by her foster father because she was in the way.

With her mother in the Tombs await-ing to answer to a charge in connection with the murder, it seemed as tho the child would have to find a grave in Potter's Field until persons moved by the tale of her death came forward with sufficient funds to give her a resting place in Calvary Cemetery.
