WILSON'S PROFIT \$25,000

According to Arrangement-Alse Received Gift of \$2500 From Mr. DuVernet.

The story unfolded by Matthew Wilson, K.C., before the insurance commission yesterday, of the sale of the Union Trust Company last June to himself, E. E. A. DuVernet, acting for English consistency of the sale of the would have been shown that it was an unfair deal not to give up the bonus stock." ing fluctuations on the Chicago Board of Open. High. Low. Close English capitalists, and Messrs. Gurney and O'Grady, of the Crown Bank, was the distinct feature of the sitting.

Mr. Wilson fixed the dates of these meetings, and the witness produced his diary, showing the dates he was at Union Trust directors' meetings.

Book Was Lost.

Chicago Gossip.

Marshall, Spader & Co. wired J. G. Beaty at the close of the market:

Wheat—Altho wheat gained some early in the day it has lost its advantage since and is the weakest market in the country. Both southwest and northwesteri markets are higher, receipts light, both sections. Market was stripped of its burden of small longs by last night's break, and it too about the same advance to strip it of the movable short interest this morning. There after values were susceptible to the small sales that came in from local and northwestern sources. Look for nothing more than dull trading market for the present, than dull trading market for the present.

When the \$2500 the same day as he endorsed the cheque. Mr. Wilson had not yet put up any money for his stock, and does not know who is financing the game. He had been offered the managership of the company at \$10,000 per annum, but did not want it and took the presidency at \$5000 salary with sales that came in from local and northwestern sources. Look for nothing more than dull trading market for the present.

The stock was not handed over, "was all Mr. Wilson could say. "Are you willing to give up the stock?" asked Mr. Shepley. "In the light of what has transpired."

western sources. Look for nothing more than duil trading market for the present, when duil trading market for the present, and other documents.
