JOUBERT HAS 20,000 TROOPS

The Plan of Campaign of the Boers in Case of War With Great Britain.

THEY WILL MARCH ON KIMBERLEY.

British Diamond Mines Will be Blown, and All Sorts of Things Will Happen.

London, June 19.—The St. James Gazette this afternoon claims to have received from an absolutely reliable source at Pretoria, capital of the Transvaal, the plan of campaign which will be followed by General Joubert, commander in chief of the Boers, in the event of war between the Transvaal and Great Britain.

Help Expected From Free State. With these troops and help expected from the Orange Free State, Joubert expects to take the offensive immediately after the declaration of war, enter the Orange Free State and march on Kimberley, the British diamond mining centre in West Griqualand and which forms four of the seventy divisions of Cape Colony.

Will Destroy Railroads. Simultaneously, it is added, the railroad from Cape Town to Bulawayo will be destroyed by Boer forces, in addition to the Cape Colony, who will also destroy the Port Elizabeth-Pretoria line, south of Bloemfontein, to prevent British troops from using it.

NEW CITY HALL OPENING

Will it Take Place on July 15 or During Time of Industrial Exhibition?

THEN WORK WILL BE COMPLETE.

It is a Question of a Big Demonstration or a Very Quiet Affair.

Ald. Hallam will have little definite to lay before the new City Hall opening special committee to-day.

On the question of having the Mayor will hardly take any definite position, yet he does not want a premature ceremony himself.

But the chief argument will be as to who shall pay the shot and also how large the shot is to be.

At the last annual meeting a resolution was adopted to increase the capital of the Bank by Five Thousand (\$5000) new shares, payable in accordance with the terms of the Banking Act.
