HANDS ALL ROUND.

Rev. J. W. Sparling, the newly-appoint ed pastor of the Metropolitan Church, seems to have the right idea of what church fellowship should be. At the close of the service on Sunday evening he said, in effect, that he would be glad to shake hands with every stranger in the church who would come to shake hands with him and would like any member of the church to shake hands with any person sitting AND WILL TRY TO ARRANGE BASIS beside him who he thought might be a ways to promote Christianity, he continued, was by being sociable—by taking a stranger by the hand and expressing good feeling toward him. Canadians in New York.

New York, July 8.—The Canadian cricket players began a two days' match against a team representing the Metropolitan League at the grounds of the Knickerbocker Athletic Club at Bayonne, N.J., to-day. The Metropolitan players won the toss and Tyers, the K.A.C. professional, and K. G. Bancroft were sent in to bat against the bowling of R. H. Rooke and H. B. McGiverin. The wicket looked to be in favor of the bowlers in consequence of the heavy rain of last night. Light showers fell during the forenoon, which did not improve it any. The home players' team was weakened considerably by the unavodable absence of Cobb, Clarke, Prendergast and Griffiths. Tyers cut the first ball howled by Rooke for a single, and the next ball from the same bowler took Bancroft's wicket. Score, I run for I wicket. E. H. Smith then joined Tyers, and each made a hit for four with another single from Tyers. At 1.40 play was adjourned for funch. Score, 20 runs with 1 wicket down. Canadians in New York
