

YOU WILL NOT GET THE "FLU"

If You Build Up Your Run-Down Condition.

It Attacks People Who Are All Worn Out, Anemic, Devalitized and Weak.

Strong People Never Get Influenza.

During every epidemic it is always the weak, rundown, overworked, devalitized men, women and children who so quickly fall a prey to the ravages of disease.

When, therefore, an epidemic is prevalent why not use a little precaution and build up the tired-out, rundown, overworked, devalitized members of your family by giving them VINOL.

There is nothing that acts so quickly as a tonic reconstructer. It makes red corpuscles, enriches the blood, quickens the circulation, sharpens the appetite, promotes sound sleep, and imparts strength, vitality and energy to every organ and muscle in the body.

Your physician recommends VINOL, and your druggist agrees to return your money if it fails to benefit.

For all rundown, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like VINOL.

COWARDLY ASSAULT BRINGS \$10 FINE

Tony Stevens Knocks Girl to the Floor.

Tony Stevens, a man of foreign birth and accent, employed at the Metropole Cafe was fined \$10 in police court this morning for a deliberate assault on Carrie Smith, a young Canadian girl, also an employee.

Miss Smith was reading a paper when a customer came in. "Put down that paper and wait on that customer," the defendant ordered. She obeyed.

To her friend, Irene McMillan, another employee, she said that if the accused continued to order her about and shake his fist in her face, she would slap his face. Stevens, she said, was a boss, and had no power to give her orders.

When she went out to the kitchen, he followed her, and said: "Whose face are you going to slap?"

She said: "Yours." Without a moment's hesitation, he clenched his fist and struck her behind the ear, knocking her to the floor. She was unconscious for ten minutes. A customer and her girl friend took her away.

Stevens said that she slapped his face and that he pushed her and she fell against the door.

"It is a very cowardly thing to strike a woman. Ten dollars and costs," concluded Magistrate A. H. M. Graydon.

Stevens was fined \$10 and costs, and his appeal was allowed.
