London, May 13.—Reports of an un-usual number of activities by armed and masked men in various sections of Ireland were in London today. Income tax offices also were again attacked and many documents were de-stroyed. A notable instance of such at-tacks was a raid upon an income tax office in the heart of Belfast. The reports of the demonstration followed closely the announcement made by Bonar Law in the House of Commons yesterday that Gen. Sir "I have lately been informed."

GOOD DIGESTION

To be able to eat what you want and to digest it properly is a priceless blessing. Good digestion is not appreciated until you lose it. Then you cannot afford to experiment, for strong not afford to experiment, for strong medicines are hard on weak stomachs. If you have indicestion do not be per suaded into believing you can cure department of the S. A. C. from the yourself by the use of pre-digested foods or so-called stomach tonics. There is no tonic for the stomach that roy. is not a tonic for every part of the body. It is through the blood that the siomach gets its power to assimilate and digest food, and as the blood goes to every part of the body any improvement in its condition not only results it strengthening the stomach, but every organ in the body.
