Said to Be Bringing Mechanics Across This Week; But Strikers Aren't Worrying.

MONTREAL, Aug. 11.-The C. P. R. has fight and so has made arrangements to bring several hundred English and Scotch mechanics to take the places of the men on strike. The company expects to have two or three hundred skilled men to distribute over the system in the course of tribute over the system in the course of ten days. They have not given out what in the best hat stores, but the demand boat the men will come on, but it is one has almost died out.

in an effort to have the Dominion Railway Commission take up the matter and endeavor to effect a settlement. The strike leaders claim that they are willing to meet the company half-way, but to accept the new schedule in its entirety means the abandonment of all they have worked for and accomplished to better their condition in recent years. No concessions are asked for, but simply an ahherence to conditions existing prior to the strike.

THREE NEW STEAMERS ON ROUTE

LONDON, Aug. 11.—(C. A. P. Cable.) For some time Canadian supporters of the Manchester liners have been urg-ing the establishment of a weekly service. The Canadian Associated Press learns that it has been decided to augment the service by introducing into it three additional steamers. Manchester fruit importers will make a determined bid to get a better hold of the Canadian apple trade.

The London Times of July 16 com ments as follows: "It is a pleasure to-day to refer to a rifle that has been much in evidence during the first three days of the meeting, and which can claim to have been designed, manufactured and used as a service weapo within the limits of the empire. With the aid of the Ross match rifle Mr W. Jones has won the Edge, Halford Memorial, and the Hopton Cup. The latter is the aggregate of the obtained a score of 20 points in excess of that which won it last year. It is, therefore, not surprising to find that the attention of other shooters has such well-known shots as Colonel the Hon. T. F.
