"WHY was Eve not afraid of the measles?"

"Because she'd Adam."

He who courts and goes away may live to court another day; but he who weds and courts girls still may get in court against his will.

THERE is a singular incongruity about the human race. A man will never hire an auctioneer unless he is constantly "knocking-down," but a clerk that does the same thing is discharged.

SPREADING against long prayers, Brother Talmage says: "When Peter was endeavoring to walk on the water to meet his Master, and was about sinking, had his supplication been as long as the introduction of some of our modern prayers, before he got half through he would have been fifty feet under water."

THE best hand in the game of life—the hand of a good and loving wife.

"PROFESSOR," said a graduate, trying to be pathetic at parting, "I am indebted to you for all I know." "Pray don't mention such a trifle," was the not most flattering reply.

"WHAT is the matter with the baby?" asked a lady of a little girl whose baby brother she had understood had been ailing. "Oh, nothing much," was the answer, "he's only hatchin' teeth."

"How are you and your wife coming on?" asked a gentleman of a colored man. "She has run me off, boss." "What's the matter?" "I is to blame boss. I gave her a splendid white silk dress, and den she got so proud she had no use for me. She said I was too dark to match de dress."
