GOVERNMENT MAY

BUILD NEW WHARF

There is a possibility that the Dominion government may build the extension to the Clarke & Adams wharf to the harbor line.

Yesterday afternoon Aldermen McGoldrick, Baxter and Bullock saw the minister of public works and discussed with him the possibility of the wharf being built by the government, as is being done in other parts of Canada, and especially on the St. Lawrence.

other parts of Canada, and especially on the St. Lawrence.

They report very favorably of their interview. They left the minister with the understanding that the matter would be placed before the common council and brought before the common council and brought before the government in a proper form.
