## Rooms for Private Patients.

In building the new wing, special arrangements have been made by the Board for the reception of private patients. Three airy and prettily furnished bed-rooms have been set apart for their use. They will have a separate dining-room and parlor, a separate bath-room, and two verandahs on the west and on the south for their exclusive use. All bedding, linen, china, etc., will be kept separate and there will be good attendance.

The charges for these rooms will be from \$8.00 to \$12.00 per week according to accommodation.
