Board and furnished room, per week,	- - - -	\$3 00
Washing, per dozen,	- - - -	30

*Pay in Church at regular Church rates.*

*A liberal discount made to daughters of clergymen, and to families sending two or more sisters.*

*Payment strictly in advance.*

*Board, Washing, Tuition in the branches of the regular course, and Music can be had in the College from \$178 to \$218 per year, according to the age and proficiency of the pupil.*

*These charges are extremely moderate, and persons on comparing them with the charges of private schools may be at a loss to understand how a good training in any department can be given for the amounts charged, and thus an unfavorable impression may be created by what we regard as a strong point in our favor.*

*Our charges are low, partly because we have to compete with unpaid labor, and partly because the College is carried on for the public good rather than personal profit. The charges are, therefore, only such as are necessary, with a generous patronage, to cover the cost of maintenance.*

*The College year begins on the first Wednesday in September, and contains forty-two weeks, including the Christmas holidays, and is divided as follows, viz.:*

Fall Term, (1878)	- - - -	Sept. 4th.
Winter Term, "	- - - -	Nov. 13th.
Spring Term, (1879)	- - - -	Feb. 5th.
Summer Term, "	- - - -	April 16th.

*The year closes on the 25th June, 1879.*

*Further particulars may be had on application to the Principal.*
