CHINESE CASE RESUMED

Hearing in the case against twenty-five local Chinese was resumed in the police court this morning. The police concluded their evidence, and Daniel Mullin, K.C., who appears for the Chinese, asked that the case be dismissed on the ground that it was not established according to the meaning of the sections of the law relating to gambling houses. This the court refused to do and the case was opened for the defence.

Inspector Caples said that on the night of the eleventh and the detectives and several other policemen and Tom Chew, the complainant, visited the premises of the accused in Mill street. He told of what was confiscated and of conditions found. He also said that he assisted in a raid in the same premises in August and arrested fourteen Chinese.

Detective Barrett said that he identified all the defendants now in court. He said that when he entered the premises there were about fifteen Chinese around the table. He gathered up seventeen twenty-five cent pieces, seven fifty cent pieces, ten ten cent pieces, three five cent pieces and four \$1 bills. This was the third raid on these premises.

Sergeant Scott and Detectives Briggs and Duncan also testified.

Mr. Mullin quoted section and subsections of the criminal code to uphold his plea, but the court said that the case would not be stopped here, as there was sufficient evidence to establish a case.

Lim King, the proprietor of the alleged gambling house in Mill street, was called. He said he was not a Christian. He denied that Tom Chew ever gambled in his place, ever lost any money, as he said he did, and also said that he (King) was not conducting a gambling place for Chinese.

Mr. Mullin recalled Tom Chew, complainant, and asked him if he was ever arrested in Grand Falls on charge of threatening the life of the manager of the Curtis Hotel. This he denied. He also denied, when asked, that he was ever arrested while in Grand Falls.

SEVERELY WOUNDED

Lieutenant T. Leary, Who Went From Here as Sergeant With the 26th

Mr. and Mrs. David Corkery of Paradise Row, on Sunday evening received official notification from Ottawa that Second Lieutenant Timothy Leary had been wounded on February 16 and was in a military hospital in Boulogne, France, his leg shattered. Lieutenant Leary left St. John as a sergeant in the 26th Battalion and was one of their most popular N. C. O's. He went through considerable fighting with his regiment and was wounded in the hand. This, for a time incapacitated him from actual trench work. He was then given charge of about 200 military baths at a base.

Later on he qualified in England for a lieutenancy in the 26th Royal Fusiliers and succeeded in securing his commission in the English army.

He has many friends in St. John, who will regret to hear that his name appears again on the list of wounded. By birth Lieutenant Leary is an American, but he threw himself into the fight of Canada and the Motherland unhesitatingly. His many friends will hope that his recovery may be speedy as well as complete.

His body was taken to Messrs. Brennan's undertaking rooms and from there a firing party from the 168th battalion accompanied by the battalion band escorted the body to the Union depot. It was taken to Millstream, Kings county, where Private Hicks' parents reside. Interment will be made in the cemetery there.

NEW BRUNSWICK AND MANITOBA

The fate of Manitoba today as the result of past misadministration, the reckless bestowal of the public funds upon railway contractors and others, and his admitted certainty of direct taxation being imposed in the near future, conveys a needed warning to the electors of the province of Manitoba tomorrow, unless we husband our resources and reduce our public expenditures so that the people rather than the contractors or party supporters will profit.
