#### A French Litaney.

(C. H. D., in London Express.)  
God of Sabaoth, I but ask  
Humbly to bear whate'er befalls—  
The dreary, uninviting task  
The sight that sickens and appals,  
Ear-rack of never silent guns,  
Burden of bare vicissitude,  
Losses of comrades—cherished ones—  
To suffer all with fortitude.

If fate vouchsafe me safe return  
To freshest of my fond desire,  
Grant me the grace never to spurn  
The lessons learned in lines of fire—  
Chivalry, love and noble aim,  
Knowledge of things undreamed within.  
And this—that Private, What's-his-Name's  
The same as I beneath the skin.

Or if the hollow eyes of Death  
Should cast commanding glare on me,  
Bidding me yield the shibboleth  
And plumb the black, unfathomed sea—  
I pray that I at last may find  
In paths where Honor ever strayed,  
And answer the unwished-for-Call  
Unquestioning and unafraid.

H. Price Webber.  
The Boston Sunday Globe says that H. Price Webber has been compelled to postpone the opening of the 43rd season of his Boston Comedy Company which was booked to start at Richmond (Me.) Edwina Grey (Mrs. Webber), the leading lady of the organization, has not recovered from the effects of a ball fall which she had on the ice at Yarmouth last winter. She is improving in health, but will be unable to appear professionally for some time.

Angeline—"Oh, dear, the diamond in my engagement ring has got a flaw in it. Edwina—"Take no notice, darling, love should be blind, you know." Angeline—"Yes, but it hasn't got to be stone blind."

London, Oct. 1.—(via Reuter's Ottawa Agency)—Reuter's correspondent at British headquarters in France telegraphed today as follows:—  
"At dawn this morning the Germans developed a heavy counter-attack on our positions in the neighborhood of Tower Hamlet. A bombardment of great intensity preceded the attack. Our guns responded in considerably greater violence."  
"The first infantry attack was launched at 6.15 a. m. astride the Meun road on a wide front. The first and second waves were so badly battered by the artillery that they never reached our positions. The third wave got into contact with our infantry, but met with such a steady and devastating volume of rifle and machine gun fire that it broke and fell back. Simultaneously a body of our men, cheering, broke forward in pursuit, and established themselves 100 yards in advance of their previous line."  
"The second attack was delivered at 8.30, and although repulsed nearly everywhere, at one point the enemy succeeded in pressing back our posts slightly. The fighting continues."  
"The operations have been terrible costly to the Germans."
