VICTORIA STREET BAPTIST PICNIC A GREAT SUCCESS

The committee in charge of Victoria street Baptist church picnic met last evening to finish the business in connection with last Saturday's outing to Westfield Beach. In spite of the showery day an attendance of 840 was reported. The total receipts from tickets sold, ice cream, candy and meals were \$192.71 and the most gratifying feature was that after all bills had been paid, there was a substantial balance on hand.

All the sports were well contested. The jack race, three-legged race and wheelbarrow race provided much amusement for the crowd. The high jump and broad jump were won by Hartley Bonnell. Kenneth McCartney finished first in the quarter mile run. A short ball game between Murray Street Sunday school and Victoria street Sunday school was decided in favor of the Murray street boys.

Excellent meals were served by the ladies under the direction of Mrs. Cliff and Mrs. Webb. The ice cream table was in charge of Mrs. E. H. Flewelling and her class of young ladies. Geo. E. Smith handled the candy and peanuts to good advantage. Everybody who went had an enjoyable day and the committee felt well repaid for their work.

The case against the fishing club was settled.

The case of the Maritime Nail Company, Ltd., vs Gregory stands.

In the matter of Win. F. McDonald vs F. H. Neve et al, M. G. Teed, K. C., moved for judgment and foreclosure and sale the amount due being assessed at \$7,850 to the end of June. The mortgaged property is land in Simonds.

About eighty of their friends gathered at their home and, after tendering their congratulations, presented to Mrs. Lennan a handsome buffet and to Mr. Lennan a comfortable armchair. Other gifts also, including a handsome silver-cased case, were received. The evening was spent with music and dancing, and refreshments were served.

SO FAR HAVE DONE WELL.
A general meeting of all the representatives of the various wards, appointed to raise funds for the new school in Cliff street, was held last evening in the rooms of the St. Vincent de Paul Society. Business of a routine nature was dealt with. A report of the present standing of the fund was submitted. It was stated that between \$11,000 and \$12,000 had been collected so far. The reports of the parishes, outside the Cathedral, have not been heard from. The campaign will be continued with vigor and the success that the collectors have met with in the early stages gives every reason to suppose that the expected sum will be realized.

A WORTHY EXAMPLE.
Speaking of Miss Harriet M. Bettle, whose death occurred on Saturday, D. J. MacPherson said that her faithfulness as a Sunday school teacher was worthy of emulation. For eight years she taught a class in the Brussels street church Sunday school and, during that time, was present every Sunday, with only one exception. Miss Bettle was a daughter of Stephen and the late Jean Bettle. She is survived by her father, four sisters—Mary, Ida, Edna and Mrs. Alexander Neill, all of this city; and three brothers—Fred, in the United States; Harry, in Valcarlos; and Frank, of this city. The funeral was held from her parents' residence, 19 Exmouth street, yesterday afternoon at 2:40 o'clock.

TWENTY HOURS IN NO MAN'S LAND

Harry Graham, Wounded and Now Convalescent, Writes Mother About Experience

Mrs. Harry Graham of 55 St. Patrick street has received the following letter from her son, Private Harry Graham of the 14th Battalion, who was wounded in the heavy fighting about the early days of June:

"Just a few lines to let you know that I am well and am at present in England having a good time. I am able to walk around, but am a little weak and sore. They have removed the bullet out of my side. I was hit by a gunshot about five o'clock in the morning with the result that I came in No Man's Land for over twenty hours before I was brought in.

"The bullet came in on the left side just below the shoulder blade and passed through my body and lodged in my right side. So you see that I was very lucky." He adds that the 14th Battalion, with which he went overseas, has been broken up.

FOURTEEN SOLDIERS NOW ARE IN THE PARKS CONVALESCENT HOME

A Visit to the Institution Finds War Veterans Industrious Fitting Themselves For Life Work

It is doubtful if the citizens have any conception of work being carried on in the former Parks residence, on the Sunday point road. It is a building that, of late, has been especially brought into public notice, having been converted into a convalescent home and a training school for returned soldiers. It is here that those war-scarred heroes who have fought courageously the battles of the empire are now courageously and laboriously equipping themselves with knowledge and skill which will enable them to meet successfully the battles of life.

Every morning, with the exception of Sunday from nine until twelve o'clock they are busily engaged with books, drawing boards or at working benches, according to the subject in which each is fitting himself. Under the tutelage of H. V. Hayes, a competent instructor, the soldiers are taught arithmetic, spelling, history, mechanical drawing and book-keeping. Some are preparing themselves to take the civil service examinations; some are working to perfect themselves in the line of work in which they were engaged previous to their enlistment, while others are learning the trade of cabinet-making.

If the citizens of St. John would send some of their damaged furniture to the home to be repaired, it would be dealt with by skillful hands and at a moderate price. Such a patronage would be highly appreciated, and would be a mark of appreciation of the invaluable services rendered Canada and the empire by these patient, industrious men.

The grounds of the home, and the home itself, are well fitted for the use to which they have been applied. The home is situated on a knoll and is almost hidden from view by a luxuriant growth of trees. The building has spacious corridors and airy, pleasant wards, supplied with every convenience to add to the comfort of the soldiers. There is also in the home a recreation room, in which there are a piano, a pool table and other necessary elements of a recreation department. One room is fitted up as a writing department. In this are writing desks and all the stationery which is required.

This institution should claim the attention and the interest of every citizen. The Voluntary Aid Detachment, composed of young ladies, is showing a keen interest in the work of the home and is doing its part well. The matron, Miss Burns, who is a trained nurse, takes a great interest in her work and all times has the interest of the soldiers at heart. There are at present but fourteen of these brave veterans in the home, although there is accommodation for thirty.

The Times has received from Mull, H. Perthshire, Scotland, the following under date of June 25:—

"Mrs. Andrew Bryce has received from her husband, word that he is a prisoner in Germany, having been taken in a battle around Ypres in the first week in June.

Mr. and Mrs. Bryce are residents of St. John, formerly residing at 47 Broad street. Mrs. Bryce is now living at Mullhill. Mr. Bryce was a member of the 8th Canadian Mounted Rifles, "B" Squadron.

Members of the Sixth Canadian Mounted, "B" Squadron, wish to thank Mrs. John Bewick of 5 Windsor Terrace, Rockland road, St. John, N. B., for sending regularly every week The Evening Times, which makes them think of home."

AUTO AND WAGON COLLIDE

Harry London of Chesley street, escaped serious injury on last Sunday afternoon while driving out from the city to his farm above Westfield. Mr. London, with his brother, was driving along the Westfield road at a fair rate of speed, when suddenly an auto appeared, coming toward them. The car was traveling fast. Both drivers pulled on the same side of the highway, but as they were about to pass, the front wheel of the auto collided with the hub of the team. The axle of the wagon was snapped in two and both men were thrown several feet. Both were fortunately uninjured. The reins became entangled in the driver's feet and this prevented a runaway. The auto was somewhat damaged. Mr. London was forced to return to the city and secure another outfit.

Eric McDonald was formerly with the 12th Battery as lieutenant and went to the 10th battery, where he won promotion to the rank of captain.
