NOTRE DAME FOOTBALL MEN WILL BE TAUGHT DANCING

Notre Dame, Ind., Aug. 10.—Included on the Notre Dame coaching staff this year will be a South Bend dancing instructor, it was announced by K. K. Rockne in an interval during his gridiron lectures before 115 Middle Western mentors composing the Notre Dame coaching school. The backfield will devote a short period each day to aesthetic dancing, declared Rockne, to develop a sense of rhythm essential in the timing of a series of shift plays being devised. This is not new at the South Bend institution. Crowley and Leyden, last year's regulars, having been coached in dancing.

GOOD GAME AND GOOD RETURNS

Saints Defeat Royals; \$400 for Hilton Belyea Fund.

St. John's Baptist park last evening and defeated them 9 to 7, before one of the largest crowds of the season, and incidentally marked \$400 to the credit side of the Hilton Belyea fund.

The Saints were the favorites for last night's encounter, but if anyone imagines for a minute that they had an easy time of it, they are very sadly mistaken, for the Royals played the game of their lives, and gave the Saints a hard battle for the final hours.

The Royals started in strong and between the first and second innings managed to take the lead. The Saints were hard put to it, to tie the score, but they were behind "Tack" Dalton every inch of the way, and at last tied and then passed the mark of the Royals. Both pitchers allowed seven hits, Diggs furnished eleven men, and Dalton retired nine in the same manner. The box score and summary follow:

The game scheduled for this evening between the Royals and the All Stars in the North End has been postponed indefinitely. Manager Bushman, of the Royals, announced last night. There was some talk of staging the game next Tuesday night but the Royals are billed to appear in Sussex then.

The Canucks won their game against the Rowing Club last evening, 5 to 2. Burgess, on the mound for the Fairville boys, was in great form. Henderson caught him. Ring and Snodgrass worked for the losers.

The Canucks have one more game on their schedule. If they win next Tuesday night against the St. John's they will win the intermediate championship of the city.

Count Plunkett, a noted Republican leader in Ireland, who was elected a Republican deputy, from Roscommon was released from military internment at County Kildare yesterday. He was arrested last April.

The Valley Rovers accept the challenge of the Thistles to a game Tuesday night.

GAMES TONIGHT

This evening, the Clippers will meet the St. Rose's on the Nashua Park diamond. The Fairville boys should have little difficulty in annexing another win.

In the South End League, the Cornwall and York outfit will meet the Sugar Reners.

The Garrison and St. George's will meet in a regular league fixture on the Queen Square diamond tonight. Hannah and Thompson for the Saints and Brookins and Logan will work for the Garrison.

DOUBLE HEADER AGAINST VETS

Fredericton Sluggers Take Both Games on Capital Grounds.

Fredericton upset the dope when they defeated the War Vets in both games of a double header in Fredericton yesterday. The Vets barely escaped a shut out in each game, in the ninth inning in the afternoon and in the eighth in the evening. Heavy hitting by Fredericton won both games. The evening game saw Tippett on the firing line for the Vets and Noonan for the Capital. Fredericton led by one run to the seventh, but in the eighth they ran amuck and ran the score up to eight.

Moncton put a crimp in St. Peter's streak, when they defeated the Saints last night, in Moncton, for the first time in the second series of the Two 1 League. The final tally was 9 to 3. Harper was on the mound for Moncton and Price and Stafford did the twirling for the Saints. St. Peter's got their three runs in the first inning, with three safeties off Harper and two costly errors on the part of the Independents. Moncton evened the score in the fourth, added two in the fifth, two more in the sixth and one each for the seventh and eighth.

The score:
St. Peter's, 9; Moncton, 3.
Batteries—Price, Stafford and Devere; Harper and Walsh.

HE PROVES IT

J. H. Van Norman, loop-the-loop artist, performed this stunt at Bridgeport, Conn., to prove that the rear seat of an auto is the more dangerous.

When a pivoted body is suddenly stopped centrifugal force overcomes gravity," he says, explaining why he is catapulted over the bike.

Ruth Is Now On Heilman's Heels

Small Fraction Between Them For Batting Honors—Yesterday's Games.

(Canadian Press.)
New York, Aug. 10.—The Yankees lost to the Detroit Tigers yesterday, but Babe Ruth figures he won. Despite the fact that Detroit took the game hands down 11 to 3, the Babe, by making one hit, being passed three times, and making a safe grounder, kept up so close to Harry Heilmann in the batting average race, that he was wearing blisters on the Detroit right fielder's heels.

The Babe's average is now .394 and Harry's is .3806. The difference is, as the Babe puts it, negligible. The other Yankee players were so busy rooting for their platoonmate that they took all time out, and the Detroiters were able to get them and ran around the bases eleven times.

Giants Lose Also.
The Giants also bowed to defeat. In St. Louis, in a desperate fifteen inning game, they lost 19 to 12. Everything that can happen in a ball game happened. The thirty-six players who took part in the game made twelve errors and three home runs. Eight of the errors belonged to the Giants and two to the homers.

In Pittsburgh, Babe Adams, the Pirate's 41 year old pitcher, carried his team to victory against the Brooklyn Dodgers, 6 to 2. The veteran, who held the Dodgers to eight hits, pitched a steady game throughout with perfect control. In the sixth three singles and a double gave the Robins their series with Chicago, three out of four.

In a whirlwind finish the former swamped the White Sox 21 to 8. Hale and Welch led the offensive with four hits apiece. Hale and Scher each made homers. There were thirty-five hits scored up during the contest, 22 of them for Philadelphia.

FIND PREHISTORIC GRAVES
Prague, July 19.—(A. P. by Mail)—While digging a canal in the Ore Mountains recently, workmen unearthed tombs which archaeologists declare are over 4,000 years old.

The skeletons lying on the ground in a crouching attitude, are well preserved, and conspicuously large. The forehead is receding, the frontal sinus strongly developed, the upper jaw protruding and the chin small. The teeth are much worn but otherwise sound.

IMPERIAL

THE FATHER'S FRANTIC PLEA fell upon ears cold with thoughts of revenge! Should he plunge into the inferno or leave the boy and girl to their doom amid the flames.

Then the crashing climax that will lift you bodily from your seat—then the most staggering thrill ever swept across the screen—then the stunning tribute to as brave a body of men as ever trod the surface of the Earth!

THE ROSSLEY KIDDIES

BACK FROM THEIR VACATION SCAMPER IN Moncton and Halifax our clever troupe of St. John Children will fill a short engagement with us starting next Monday, Aug. 13. We have to play the children right away as some of the principals are leaving the city to spend the remainder of their holidays in the country. The Kiddies have been continuously performing since leaving St. John, so their rebuilt version of "Red Wing" will be as if brand new. At any rate it has been over three years since they put it on at the Imperial—it was their very first show—and to many Christmas-time shop workers it will be new. Introduced into this pretty little Indian romance will be big bits of various editions of our Rossley shows. So everybody can be assured of a splendid bill of irresistible numbers. A show for the whole family. Bring your visiting friends. See the Babies!

SCOTCHMEN LIKE TO BET.
London, July 24.—(A. P. by Mail)—Betting among the thrifty Scotchmen is done on a scale that has shocked members of the House of Commons, men who are accustomed to deal with millions of pounds of the Government's money every year.

A Glasgow bookmaker admitted to the House committee on betting, appointed to investigate the possibilities of the Government placing a tax on horse race betting, that he took in an average of \$25,000 a day, or more than \$8,000,000 a year in bets. This particular bookmaker operates a credit account system in established offices, and his business comes within the law.

The Lady Byng day camp for children will be kept in operation for the rest of the month, it was announced yesterday. More contributions have been received by the camp manager and treasurer, Mrs. G. Wilford Campbell. The children have benefitted greatly from the treatment and the results have exceeded the expectations of those in charge.

There are many comedy situations throughout this bill. All new scenery, costumes, songs and dances. PRICES—Afternoon 2.50, 10c and 20c; Night 7.15 and 8.45, 35c.
