COTTAGE CRAFTS

It was with special pride and pleasure hat the Women's Canadian Club welcomed as its guest at luncheon on Loyalist Day, yesterday, Miss G. Helen Mowat, who has established the Charlotte County Cottage Craft Industry in her native county of Charlotte and through that flourishing industry is developing a typical art handicraft. Miss Mowat explained that her ideal was to see grow out of this new industry a genuine expression of Canadian art.

The luncheon was held in the Royal Hotel, and there was an unusually large gathering to do Miss Mowat honor. Mrs. W. Edmond Raymond, president of the club, with Mrs. Leonard Tilley, the honorary vice-president, and Mrs. J. H. Doody, vice-president, received the guests in the parlor of the hotel before the luncheon and the opportunity of conversation with Miss Mowat was welcomed. The latest of the Charlotte County Cottage Craft productions in the way of

had taken an old house in St. Andrews and made it over to suit her needs. She could no longer keep in touch with the individual workers except through big meetings twice a year. One grand meeting had been held last year when she returned from Toronto and she had been able to tell the workers that real artists in Toronto had come to see their work and been greatly pleased with it.

Pottery was a new craft she had introduced, and she showed some attractive pleces of pottery made by an English expert who had been interested in the cottage crafts and had come to St. Andrews to help establish the industry. The clay in the locality had been found eminently suitable and local designs were being used to decorate the pottery also. The latest craft of all was the making of walking sticks from cedar in its netural shapes, with slight carving for the ornamental head. She showed also some fine examples of the product of kets.

Mrs. George F. Smith moved an appreciative and hearty vote of thanks which was ably seconded by Mrs. Alfred Morrisey and unanimously given.

Mrs. Raymond presented the vote of thanks and Miss Mowat replied in a charming manner. Mrs. D. P. Chisholm was the pianist for the singing of the national anthem.

(Canadian Press Despatch.)
Ottawa, May 18—A total of \$108,001,808.91 in bonds were guaranteed by the
different provinces for the Canadian
Northern Railway, according to information brought down in the house today
by the minister of railways for Hon. J.
B. M. Baxter (St. John-Albert). The
bonds guaranteed were divided as fol-

bonds guaranteed were divided as follows:

Ontario, \$7,859,997.59; Manitoba, \$25,662,545.51; Saskatchewan, \$15,870,879.98; Alberta, \$19,950,861.97; British Columbia, \$40,157,523.86. Grand Trunk Pacific bonds to the total of \$3,599,596 were guaranteed by Alberta and \$13,196,844 by Saskatchewan. The question of whether guaranteeing provinces had been relieved of their liability by the federal government taking over the roads was a legal question which had not yet been settled, Mr. Baxter was informed.

The Valley Railway, in New Brunswick, is leased for minety-nine years by the Government railways, which pay all expenses of operation, collect all receipts and pay the St. John & Quebec Railway 40 per cent of the gross earnings. This railway is operated as part of the I. C. R. Its operation, the minister said, entailed an actual operating loss from 1914 to Dec. 31, 1921, \$888,951.08. Forty per cent of the gross earnings paid over from Jan. 1, 1915, to Dec. 31, 1921, amounted to \$341,873.88, making a total loss since 1914 of \$1,180,824.91. The government, Mr. Baxter was informed, is not considering the acquisition of any further branch lives at present.

NEW DEPARTMENT

OF HOSPITAL WORK

PROVING USEFUL

Miss Belle Howe, the recently appointed social service worker for the General Public hospital, presented the report for her work during the month of April at yesterday's meeting of the women's hospital aid, held in the board of trade rooms with Mrs. J. Boyle Travers, the vice-president at large, in the chair. Hearty appreciation of the good work being done by Miss Howe was expressed. The treasurer, Mrs. Lester Mowry, reported total receipts of \$3,013.10 and a balance in the general fund amounting to \$2,686.07. The emergency fund totalled \$996.51 but the flower fund was reported to be completely exhausted and a collection for flowers was taken at the meeting.

Miss Howe then submitted her report

The annual meeting of the visiting committee, telling of care given to the comfort of the poatients. Mrs. Lester Mowry was appointed convener of the visiting committee, telling of care given to the comfort of the patients. Mrs. Lester Mowry was appointed convener of the visiting committee, telling of care given to the comfort of the patients. Mrs. Lester Mowry was appointed convener of the visiting committee for June.

The denominational reports were presented by the vice-presidents and contained records of the enrollment of the annual members. Mrs. He. E. Thomas, for the Methodists; Mrs. George the nouth street church members had contained records of the enrollment of the annual members. Mrs. Lester Mowry, reported to be domented to the cook book sales showing that the total receipts to date were \$912.

Mrs. A. C. Skelton reported that the brass plate had been placed on the door of the room in the nurses' home which had been furnished by the hospital aid members of the Portland Methodist church in memory of Mrs. George Steel.

the meeting.

Miss Howe then submitted her report which contained the following statistics: Visits made, 47; tonsil and adenoid cases visited before operation, 18; number of homes of indoor cases visited, 27; cases referred to denominational vice-presidents for assistance, Church of Engresidents for assistance, Church of Engressidents for Engressident

"The first duty of the day is to names of the new patients admitted on the previous day, and interview these regarding their home conditions, financial conditions, etc.; in the case of children, to visit the home and interview the parents. The next duty is to find out the number of discharges and interview these, and, if necessary, visit them in their homes, later reporting cases which need assistance to the different denominational vice-presidents. The tonsil and adenoid cases are visited a few days before operation and interviewed days before operation and interviewed as to financial condition. These cases will be visited again about one week after the operation when the social service department is better organized." for the patients and awnings to protect them from sun were needed and it was suggested that the Hospital Aid should provide these. The matter of providing provide these are favorably considered provide these. The matter of providing awning was not favorably considered and, as many pairs of slippers already have been provided, it was decided to make further inquiries into this need. It was decided that one dozen babies' sunbonnets should be purchased for the infants in hospital to be used when they are put out on the balconies. are put out on the balconies.
