BASEBALL.

The Provincial League

Matters in connection with the provincial baseball league are progressing favorably and all is now ready for the opening game on Saturday afternoon between Moncton and St. John. Both clubs have announced their lineups and, from the material presented, it looks as if a good brand of ball will be the result. The St. John squad has been at work in the Marathon grounds all week and are rapidly rounding into shape.

The batting order of the Moncton team has been announced as follows: Edgington, 1st; Sweetman, 2nd; Trites, 3rd; Dayton, 4th; G. Sweetman, 5th; Lockhart, 6th; McLeod, 7th; Rogers, 8th; Crossman, 9th; McLellan, 10th; or McDonald, 11th.

At a meeting of the Moncton club the following officers were elected: President, Wm. McMullen, vice-president, J. McDonald; secretary-treasurer, Alf Jarvis and manager, George H. Trites.

Halifax enthusiasts are talking of receiving the old Standards and Socials and it has been suggested that they take part in the league. Com on in, Halifax, the water's fine.

A league meeting will be held in St. John on Monday morning and matters in regard to schedule, bye-laws, etc., will be arranged.

The St. John team, which will be called the Marathons, will line up: Gibbons, 1st; Sullivan, 2nd; Gorman, 3rd; J. Dever, 4th; Smith, 5th; Hanlon, 6th; Lenihan, 7th; McGowan, 8th; and the following will be available as pitchers, H. Dever, Kirkpatrick, Stirling, Barbary, Garter and A. Howard.

Two games will be played on Monday. In the morning the Rocklands will meet the Moncton aggregation and in the afternoon the Marathons will play their second game. G. A. Ramsey is handling the Rocklands.

St. Lukes 10; St. James 0

In the second game in the Church League on the Marathon grounds last evening the St. Lukes defeated the St. James team by a score of 10 to 0. The

North End team played snappy ball throughout, hitting well, and often, and fielding in commendable manner. Craft and Dunlap were the batteries for the winners and Evans and Sandall for the losers. There will be no other game in the Church League until Thursday evening next when Trinity and St. Lukes will line up against each other.

May Visit St. John.
A traveling team composed of college and ex-New England players, whose first game will be with the Portland team of the New England League, wants to visit the province.

One More for Matty.

Chalk up another win for Mathewson. Since he dropped his first game to the Brooklyn, a month ago, he has won five straight, and has beaten every club except Chicago and St. Louis, which the Giants have not yet played.

Players We Know.

Jack Dedrick, last year with the St. John and Fredericton clubs, now pitching for Lynn, received a bad trimming at the hands of the Haverhill batters on Tuesday. He filled the bases, forced a run, and a circuit clout by Haverhill's catcher scored four more.

Stanley Bates started to pitch for Worcester in the game against Lowell on Tuesday, but was a trifle wild and was pulled out in the sixth, after allowing five hits and passing four men; he struck out three. Lowell won 7 to 2.

McPherson, the former St. Croix player, is being used at shortstop for the Lynn club.

Eben Reed, last year with Bangor, and who was let out by Lynn this spring, is working well with the Fitchburg aggregation. He assisted in winning Tuesday's game from Lawrence with two doubles and a timely sacrifice.

Twelve hits, two of which were slammed out by Pete Tetreault, were made off Steve White's delivery in the game this week between New Britain and New Haven. Tetreault played errorless ball on second for New Britain.

Ganley and Shanley are both doing well with the Perth Amboy club. In the exhibition game with the Philadelphia Americans last Sunday each of these players had two hits to his credit. One of Shanley's was for two stations.

Dave Morey As Coach

Although there were several candidates for the position of football coach at the St. John's High School, Dave Morey, formerly of Malden High

and Dartmouth was the unanimous choice of the Athletic Association.

Morey graduated from Dartmouth last June and coached the freshman eleven which made such a splendid showing last fall. He played on the varsity eleven for three years, and was chosen for the All-American team in the fall of 1912 because of his excellent all-round work in the backfield.

He also played on the baseball team three years and was elected captain in his senior year. After he graduated he signed a contract to play with Connie Mack's Athletics, but he did not remain there long, being sent to Fredericton in the Maine-New Brunswick League.

FOOTBALL.

Soccer Game Tie

Last evening on the Barrack Square the Caledonians and the St. Johns played a soccer match with neither team scoring.

Molone Sold.

Cleaner—Molone, the four-year-old trotting colt that has been a member of H. G. Kitchen's string in Driver Tommy Raymond's stable, has been sold to P. S. Watson, of St. Mary's. The deal was put through this week and Molone is already in his new owner's barn. He is a son of Mobell (2:10), and his dam is Countess Normal by Norval (2:14-4). He was purchased by Messrs. Raymond & Quartermaster at the Old Glory sale in the fall of 1912, having been consigned to the sale by the Mobell stables of Lima, O.

Famous Stallion Dead.

New York, May 21—Billie Burke, 2:08 1-4, a noted trotting stallion, formerly owned by the late J. Howard Ford, proprietor of the famous Stony Ford Farm, died in Russia a short time ago.

While owned in this country by Mr. Ford, Billie Burke attained almost as great a prominence in trotting history as any other stallion of his age. He was the champion trotting stallion of 1912, as well as the fastest trotter of any sex or age that year.

Although Billie Burke's campaign of the grand circuit was not one of uninterrupted victory, it was characterized by as many successes as defeats, and he faced against the very fiercest of the country.

The new foreman was a hustler. Nothing escaped his eagle eye, and when ever he saw a workman suffering from a tired feeling he quickly woke him up. So, when he discovered a bricklayer snatching a quiet pipe behind a wheelbarrow, his wrath rose mightily.

"What do you think you're paid for? Get on with your job, if you don't want to get fired pretty sharp."

"All right, boss," rejoined the workman. "Keep your 'air on. Rome wasn't built in a day, you know."

"That may be," rejoined the hustler, "but I wasn't foreman of that job."
