MPRESS

A Special 6-Part Feature With a Patriotic Fervor

Featuring the Late Florence La Badie

It shows what might easily happen in America if the Germans could break through and get over here. It shows a young American woman forced to work as maid in her own home that is captured and used as officers' headquarters. It shows the girls of the neighborhood invited (by force) to come to the dinners given by these officers, each night, and above all, it shows what a patriotic woman is made of when the test comes.

The Hero, An Aviator, the Heroine, a Patriotic Woman, Real Soldiers, Actual Scenes, Everything Realistic.

Panzaret is Dead.

New Orleans, Jan. 20—Panzaret, a famous eight year old racing mare, holder of several track records and winner of more than eighty races, died here on Saturday of pneumonia. She was known to race followers as the queen of the turf. Panzaret was purchased a year rego by Joseph Haronne of New York from H. S. Newman of Texas.

It is not strange that the Boston Red Sox players are losing no time in signing. They are figured as certain to get either first or second share of the world's series melon next fall.

The Pacific Coast League will start the 1918 seaeson with one change in its circuit, Sacramento taking the place of Portland.

The opinion is general that Jack Hendricks is due for a long and successful career as a major league manager. Hendricks

pitcher.
Now that Bush, McInnis, Strunk and Scha have been aded to the cast it would not be surprising if Pitcher Geo. Poster decides to change his plans and stick in the game. Foster "retired" after the close of the 1916 season and repeated last fall.

Miller Huggins has not yet announced who will succeed Duke Farrell as coach of the Yankee boxmen. Paddy Livingston has been mentioned.

Sam Crawford is still angling for a position in the majors and insists that if he is given a chance to play regularly he will show up as well as in the old days.

The Cubs are said to be after Beals Becker, who made such a fine record last season in the American Association.

With commendable enterprise and foresight, Canada is carrying on an extensive work in restoring her invalided soldiers. At the close of the year there were 113 institutions (of which the Military Hospitals Commission conducted 71) caring for convalescent soldiers. In these, there were 11,395 beds, in addition to 2,500 beds used in clearing depots. There were 10,000 men under treatment. 3,000 men enrolled for your tensive work in restoring her invalided soldiers. At the close of the year there were 113 institutions (of which the Military Hospitals Commission conducted 71) caring for convalescent soldiers.
