but the warriors kept up their drill until the sound of the bugle.

Major Leslie, R. C. H. A., started inspecting the 4th brigade C. F. A. with the 10th field battery today. He will finish his work tomorrow.

Camp will start to break up Friday afternoon and by Saturday noon all will be away. The next camp begins July 4.

Violin selection, Thomas Fournier.
The last number on the programme was a one-round go between Sergt. Larry Ryder and Corp. Nicholas Brewer. This round, which ended in a knockout, caused considerable amusement. Sergt. Ryder is probably the smallest man in camp, but he got in his work early in the game and caught Brewer with a left hook to the jaw which floored him. Brewer is a great strapping soldier but could not stave off
