TIONS FROM THE ING CITY SOLICITOR

y is Now in Existence to Work Upon Initiative Property Owners

ng city solicitors forwarded ant communication to the on Monday relative to an licy in dealing with works provements. After but brief a copy of the letter was warded to the city engineer. read as follows: ,-It would appear necesind the council that, in conthe recent alterations in ment construction work y the property owners in ces, last year the council pted a suggestion made to ion 148 of section 50, to e was no objection of any that it did not cover all

ble of being done under vement; moreover there ifficulty in effecting, service In the session of the legismbly of this year this was and there is now a complete with machinery for doing ement work upon the inithe property owners. The necessity for the work has decided upon by the city enhas he to consult the wishes ers either as to the work o assessor and engineer have ide whether any particular benefited; preliminary expense and ding the determination of hould not fall upon the city staff;

work having been detercannot be defeated upon pe-

the incipiency of the by-law authorizing the time is very much shortnecessity for 15 days' adhas ceased to exist. no doubt, some work re-

the city engineering dend cast upon the city clerk, ould suggest that this may eous to the administration v's affairs. We understand ork in the city clerk's des complained of as being too the addition of this mode of In our opinion the ma-the act is quite easily We have to make the folestions: orms of requisition should

stock in the city clerk's ofform which we some time led. Owners desiring to reshould obtain from the land list of the owners and eners up to the date of the eting when the requisition red. The assistance of the g staff in outlining and dework requisitioned for y be given upon the terms of rs applying undertaking to ayment for the work, in there is no reason why a ment plan should not, in details, be prepared by outonal assistance.
