MINE TROUBLE IN THE BOUNDARY

SUPERINTENDENT AND MINERS ARRESTED

Arises Out of Fight for the Providence.

(Special to the Times.)

Greenwood, June 23 .- Three or four There was an exceptionally large turnout last evening no doubt on account of
the announcement that the moving target shooting with the six-inch ordinance
and Morris tubes would take place at
the fort. This was to determine which
company will hold the Prior cup for the
ensuing year. Each team fired a five
minute service, and, according to
the announcement that it would be impossand shares for that purpose. Shortly
after they left the local director's heid
meeting, ousted Secretary Hunter and
elected W. M. Law. They enegaged a
meeting, ousted Secretary Hunter and
elected W. M. Law. They enegaged a
damittance to the mine yesterday by Mr.
Dermody, the old superintendent, who was refused
admittance to the mine yesterday by Mr.
Dermody, the old superintendent,
who was discharged by the local director's
and the best chance of being awarded
the coveted trophy, although the points
have not yet been counted. The result
is not expected to be made public until
after mobilization on next Monday.

While Nos. 3, 4, 5 and 6 were egraged in firing practice, Nos, 1 and 2
were busy with the 13-pounders. As a
result of this drill, which has taken place
almost every evening since the inauguration of another main. The long expected

ANOTHER WAY OUT

REGARDING SEWERING OF SPRING RIDGE

By-law Will Be Submitted Authorizing Borrowing of a Large Sum for the Purpose.

Two matters of unusual importance came up at Thursday's meeting of the public works committee of the city council at the city hall. The first was the sible to continue with the original plan of sewering Spring Ridge, and the decision, upon Mayor Barnard's suggestion, to submit a helew providing for the

and dealt with. of the lower portion of Menzies street brought up the whole question about sprinkling. Several of the aldermen complained of the manner in which the complained of the manner in which t

veyor of highways, the words of that act giving the surveyor authority to conduct such tunnels as he should deem necessary. such tunnels as he should deem necessary.

No such words appear in our act. The other operation asked in your letter himself to be the Ommoni, was seen be-

discretion in the premises. EBERTS & TAYLOR. This communication had a very deressing effect upon the aldermen. An aformal debate followed, as a result of which all agreed that the proposed All members of the Fifth Regiment are siastically by his people, but it was the Spring Ridge sewerage system, that be the last time the venerable monarch reached with every appearance of re- auxiety regarding the cause of to-day's will appear as a participant in this fes- linetance, but, as one of those present weakness on the bourse, said that pessi-

tension of the sewerage system at the same time as the loan by-laws for the Victoria West school building and for the purchase of a larger electric lighting plant were placed before the public. If the ratepayers gave their consent at the polls the money would be expended in the construction of a large main from Fernwood road in Spring Ridge, along Edmonton road as far as the Jubilee hospital. From there it would go south, probably along Richmond avenue, to the straits. Thus it would sewer all Spring Ridge as well as the Oak Bay district. The Mayor also pointed out that such Ridge as well as the Oak Bay district.

The Mayor also pointed out that such a loan would not mean an increase in the C. P. R. in Victoria, who goes to fill a similar position in Calgary, the busy and rapidly increase. the taxation. The interest could easily be paid by the sewerage rentals, the same method being employed as that how in vogue. Once the required permission was granted the work could be started and pushed to completion as rapidly as possible. He said there was still about \$25,000 of the sewerage fund available which would be used in order that the contemplated work might be done in a satisfactory manner. He

tigate the local water supply and the Mr. Courtney will fill with acceptance to

approved.

The question of hauling gravel for the James Bay flats again came up for discussion. It was suggested that a real constant of the different events are the use of the on exhibition in the window of W. H.

Adams, Government street. They follows in the different events are the use of the constant of the different events are the use of the use of the track.

the matter was left in abeyance.

Senator Macdonald's communication criticising the policy of constructing a cofferdam off Dallas road for the purpose of providing a swimming bath was submitted. He stated that the water was too cold for bathing there, and the locality inconvenient for visitors.

On metion of Ald. Oddy the city clerk was instructed to inform the writer that the matter had already been considered and dealt with.

SOME FRENCHMEN ARE ANXIOUS FOR FIGHT

Intrigues in France Cause Concern in

Germany-Moroccan Situation Remains Unsetiled.

(Associated Press.)

Berlin, June 23 .- The French note on the subject of the proposed Moroccan conference was handed to the foreign office this morning. Owing to its great length the note had to be sent by mail to Berlin instead of telegraph.

The foreign office, while declining to discuss the points of the note in detail, admits that that it leaves the situation where it was before. The points of disagreement between Germany and France have not been removed. It is expected that the negotiations will continue for a long time before a positive result is

Germany's answer to Premier Rouvier has not yet been considered. It will require considerable time in order to meet all the points raised. While the delay might under ordinary circumstances of advantage in affording time for the excitement to subside, German government circles note with some concern that

powerful intrigues are going on having
for their object war between Germany.
