KENDALL'S SPAVIN CURE Santa Rosa, Cal., Feb. 9th, 1833.

B. J. KRNDAL & Co., Gents:—I feel it a duty to others suffering with the piles and falling of the rectum to write you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen now beard of the pulse since. One who has

ten days use of Kendall's Spavin Cure I have not seen nor heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared.—Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort.

With gratitude and best wishes for your success, I am faithfully yours, J. H. GLENN.

The Kendall's Spayin Cure is in excellent demand with us, and not only for animals, but for human aliments also. Mr. Jos. Cured the sprain in very short order.
