According to a report by a medical officer from Westminster to The Standard, a startling result has been attained from a test to discover whether tuberculosis germs in telephone mouths please.

## FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration.

## DO YOU COUNT YOUR STEPS?

Do you count your steps? It is a price and a useless price, but at the back of his head this writer is always counting his steps. He can tell you the number of steps that he has taken from his Kensington to South Kensington station (there is an unlucky thirteen at the station) until he has mounted to the office window. And when he put the question to his wife she could not tell the number of the stairs she had climbed (they are twenty) for three years to the first floor flat—London Chronicle.

## IS 74 YEARS OLD

Before Tony Pastor improved vaudeville the old variety shows were simply resorts where men could drink and smoke and be regaled by dancing and more or less raucous singing. There was money in catering to men who took their enjoyment from the stage, and money in it today, but Tony Pastor conceived the idea of inducing women to patronize the variety shows, and he was successful. He was a man of the theatre, and he was a man of the stage, and he was a man of the show business.

# ANTY DRUDGE'S MONDAY MORNING SONG.

Fels-Naptha does my washing, And I have time to spare, For while the clothes are soaking, I'm free from work and care.

## FOR SCRUBBING, HOUSE-CLEANING AND DISHWASHING FELS-NAPHTHA SOAP IS JUST AS SUPERIOR AS IT IS FOR WASHING CLOTHES.

It does all any soap will do—besides lots of things impossible with other soaps.

## FOR INSTANCE, IT WHITENS FLOORS IN ADDITION TO CLEANING THEM; TAKES DIRT OFF VARNISHED SURFACES OF HARD WOOD WITHOUT DULLING THE VARNISH; BRIGHTENS DINGY PAINT WORK AND BRINGS OUT THE COLORS IN OIL-CLOTH AND LINOLEUM;—AND IN DOING THIS CLEANING YOU USE A CLOTH INSTEAD OF A SCRUBBING BRUSH.

Easier, isn't it? It will remove grease and stains from carpets and rugs as thoroughly as can be done by a professional cleaner. It will even take out blood stains—the severest test a soap can be put to.

Full directions for doing all these things the Fels-Naptha way are printed in the wrapper—the red and green wrapper.

## NEW YORK IN GRIP OF WINTER WEATHER

Coldest August Weather for 23 Years

## TWO DEATHS RESULT

More Than Three Inches of Rain Falls—Thermometer at 56

NEW YORK, Aug. 27.—A terrific downpour of rain, lasting for more than twenty-four hours and attended by the coldest August weather New York has experienced for twenty-three years, was responsible for two deaths today and great property damage. More than three inches of rain fell and the thermometer registered as low as fifty-six degrees. Not since Aug. 27, 28 and 29, 1885, has it been so cold during this month. A chill wind, which blew a gale during the night, tore up trees and levelled dead crops in the vicinity of New York. Those to meet death were John Lynch, who was drawn into a broken sewer hole in New York while at work with a repair gang, and an unidentified cripple, who sought shelter from the cold and rain in an East Side hallway. The cripple wrapped his body in papers, but the rain soaked through and a few hours later he was found dead.
