**A Walking Organization.**  
One of the best results of the revival of walking is the organization of the walkers' club of America, of which Sam Schwartz, whom you may have seen at the B. A. meet Saturday, is president. The club will hold its first walk on Washington's birthday from the city hall to New York to Coney Island, a distance of 12 miles, and it is expected that several hundred members will follow the pace of such walkers as Fred Kaiser, Vollmeke, Reuz and Schwartz. That is the kind of an athletic organization, that can do an immense amount of good, for there is no exercise that can be done walking. It is healthful and a round muscular developer. The more walking or fresh air clubs we have the better. In England there are hosts of them and out of them have come the greatest of the British distance

**NOT ONE WOMAN IN TWENTY HAS A STRONG BACK.**

**THE KIDNEYS ARE TO BLAME NINE TIMES OUT OF TEN.**

Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys.

The poisons that ought to be carried off are sent back into the blood, taking with them a multitude of aches and pains. There is no use of expecting relief until the kidneys are restored to health.

Doan's Kidney Pills are the quickest and most reliable remedy. Mrs. Ed. Baxter, Upham, N.B., writes: "I take a good deal of pleasure in telling you what Doan's Kidney Pills have done for me. I was troubled with my kidneys for a number of years, and my back was so lame I could not sweep the floor. A friend of mine advised me to try a box of Doan's Kidney Pills, which I did, and after using three boxes I am as well as ever. I highly recommend them to anyone suffering from lame back or kidney trouble."

Doan's Kidney Pills are 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

**ROSE FOR STOCKHOLM.**

If Ralph Rose can do 90 feet in the aggregate in right and left-handed shotputting, as advised from California indicate, America ought to win the ambidextrous putting in the Stockholm Olympics next July.

**EQUALED WORLD'S RECORD.**

New York, Feb. 24.—At the Greek American A. C. at the 22nd Regiment Armory Friday, Hal Helland of the Xavier A. A. equaled the world's record of 7.15, being up by W. A. Schick of Harvard in 1904 in the 70-yard dash. Helland failed to land a prize in the final.

**THE EXETER FLIER.**

W. J. Bingham, the Exeter flier, who has been brought for a place on the American Olympic team at the half mile, will now have a new local contender in Harry Lee of the B. A. A., who seems to be travelling as well as any of the middle distance tracks just now. A race between Bingham and Lee over the 880-yard distance with both athletes fit would make a hot battle.

The acquisition of Graham to the Phillies' catching staff now gives the club four first-class men in Dootin, Graham, Killifer and Moran. The Cubs wanted the Phillies to hand over recent Alexander or Moore, but this offer was declined. Then Chance decided to take the young battery for Graham.

**AGAINST 3.30 BASEBALL.**  
New York, N. Y., Feb. 26.—The Wall street district is doing what it can to checkmate the move for the starting of local baseball games at 3.30 o'clock instead of 4, the hour that has prevailed for years. Today a list containing 400 names of members of the stock exchange was posted on the floor protesting against any change in time.

There are 1100 operators in the exchange and of these more than half it is expected will sign the petition. Members of the other exchanges are said to be working in harmony with those of the big exchange.

The brokers claim that their patronage will be largely lost by the clubs if the time of starting the games is advanced as their business prevents them starting on the 45 minute trip to the grounds until after the exchanges close at 3 o'clock.

**PHILADELPHIA AT SAN ANTONIO.**  
San Antonio, Texas, Feb. 26.—San Antonio welcomed Manager Connie Mack of the Philadelphia Americans and 36 of his recruits to Texas today.

# LIVE SPORTING NEWS

**BILLY EVANS SAYS:**

In Little Hendrickson, Boston seems to have a promising youngster. While Hendrickson is better than the average at bat and in the field, he is best on the paths. In a game at Detroit last fall he beat out four infield hits. One was a hit to "Dony" Bush and fielded cleanly, yet Hendrickson beat the ball. I saw his nerve tested the last Boston series at Chicago in 1911.

Tris Speaker was in centre and Hendrickson in right. Speaker is about twice the size of Hendrickson, and very fast. The score was close and when a Sox player hit the ball to right centre the crowd let out a yell that ought to have been heard in Milwaukee.

A couple of men were on the bases at the time, Both Speaker and Hendrickson divined that unless the ball was caught it meant the loss of the game. Both started at full speed, shouting for the ball, but the yelling of the crowd drowned their voices.

They came together with terrific force and fell to the ground unconscious. I called time and everyone hurried to the injured players. Speaker recovered in a minute or so. The little fellow was seriously hurt, and it was five minutes before he regained consciousness. Boston and Chicago players still laugh when they think of his first words:

"Did I hurt Tris very much?"

**KILBANE YOUNG IN GAME.**

Cleveland, Ohio, Feb. 26.—Two years ago Johnny Kilbane, the new featherweight champion, was scarcely known outside of Cleveland. He had been a contestant in minor bouts since 1905, but it was not until fighting took place in several northern Ohio towns in the winter of 1909-10 that he really began to attract attention.

First Kilbane met and conquered the best boys of this vicinity. Thea importations were made from the east and west. In 1910 when Tom McCarey promulgated his elimination contest at Los Angeles, by which was to be decided who of the native featherweights should have the right to meet Abe Attel for the championship, Kilbane was a logical entrant.

Kilbane decisively defeated Joe Rivers, Patsy Kline and Frankie Kline is close rivals thus earning the right to meet Attel in the bout for the championship.

Johnny Kilbane was born and reared in Cleveland. He will be 23 years old April 18 next. He is married and has a baby daughter. His habits are of the best; he is a strict church member and is devoted to his family. He is the support of his blind father.

**Two Minutes Walk from Site of Dry Dock**

Before offering these choice lots to the public we had a plan prepared showing the exact location of each lot in order that prospective purchasers might get a better idea of what they purchase. The plan allows for streets 66 feet wide in front of each lot with a 20 foot roadway in the rear. This was arranged so that all back yards will face each other and at the same time keep them from being exposed to view of the main streets. This also ensures plenty of light at the front and rear and at the same time allows everything to be delivered at the back door.

**Lots Range in Price from \$125.00 to \$550.00**

**Corner Lots Cost 10% Extra**

These lots are the ones you should buy because they are situated directly in front of site for Dry Dock. The help required to operate the Dry Dock will be employed permanently and will want to locate as handy as possible to their work, therefore you are not taking chances in buying these particular lots.

The St. John Street Railway have assured the public that the street cars will be rushed to East St. John as fast as construction work can be completed.

If you buy now you will be in at the right time. These lots cannot help increasing in value and should be worth three or four times what you are asked to pay for them now, before you make your last payment.

Buy now on the rise. If you are interested either write, call, telegraph or telephone for further information.

**Abbie Wood Wants a Race With Longboat**

Montreal, Feb. 26.—Abbie Wood, the great little Marathon runner, is the first one to get after Tom Longboat since the latter's return from the Old Country.

"I will meet Longboat anywhere he likes, and at any distance either in one or three races," declared Wood today.

"I will meet him at 10, 15 and 20 miles, or at 12, 17 and 25 miles," he continued.

Abbie's friends say that if Longboat still pretends to be in the running game he cannot refuse such an offer, particularly since Abbie has beaten all the prominent men in the racing game now, including the winner of the Powderhall Marathon.

**KLAUS BOOKED FOR 2 MATCHES.**

**Horse's Leg Swelled.**  
Animal Was Too Sore and Lame to Work—Quickly Cured by Nerville.

"I have had a long experience in treating horses, and I can safely say that I know of no liniment for strains, sprains, and swelling that is so useful around the stable as Nerville." Thus writes Mr. Joshua E. Murphree, from his home, Croft Hill P. O. I had a

fine young mare that wrenched her right fore leg, and from the shoulder down she was stiff, sore and swollen. I applied Nerville and it worked like a charm; in fact, that mare was in shape to work a day after I used Nerville.

"We have used Nerville on our farm for twenty-five years and never found it wanting. For man or beast it is a wonderful liniment."

We have received nearly five thousand letters recommending Nerville as a general household liniment, as an all-round cure for aches and pains. One million bottles used each year. Try it yourself. Large 25c bottles of Nerville, five for \$1.00. All dealers, or The Carrhazone Company, Kingston, Ont.

**NERVILLE IS A TRUSTY LINIMENT**

George Horine, the Stanford University high jumper, has invented a new jumping standard. You who are mechanically inclined may understand the following description: "The real merit to the invention is the collar on the support that holds the crossbar."

"This collar fits snug on the upright and inside is a panel in which is a floating steel bar. At clutch with a strong worm works through the collar and presses the floating bar on to the upright, thus keeping it rigid. The collar has an indicator running up the opposite side to the clutch, which designates the height."

Graham is the catcher whom Chicago received from the Boston Nationals in the Kling deal, cost.
