CHARLES' "MUGGSY" O'BRIEN

Charles (Muggsy) O'Brien, the Marathon third sacker, was suffering considerably yesterday but was able to be about the streets for a while. He was, however, made happy by making a visit to the General Public Hospital where an X-ray photograph was taken of his side, and he was informed that although his side was badly injured his ribs were not broken. O'Brien claims that he will soon be in the game again. Charles O'Brien is a Worcester, Mass., boy and the Evening Post of that city in a lengthy report of O'Brien's career in the game says the following: O'Brien has had a varied career on the diamond during the years in which he has been connected with baseball. Starting with the "Carnations" of Worcester as a catcher for Doc Lassier he developed into a wonder for a "kid" his size. He played with the "Carnations" for five years. After the pony battery of Lassier and O'Brien gave way to Nolan and Elliott, O'Brien started to pick them up around the hot corner while Lassier covered the territory around short. Both O'Brien and Lassier entered South High in 1909, holding down the same positions on this team. With Mulcahy as first, Cooper on second, Lassier on short and O'Brien on third, South High had a schoolboy infield which was equal to any schoolastic infield in the country. During the summer months of 1909 he played with Millbury and was later taken over by the Flaverville management, where he played awhile. The following year, 1910, he was with South High, but on Saturday was found down in the Blackstone league, where he guarded third base for Whitesville. On July 4th, 1910, Connie Mack, who is keeping a watchful eye on the youngster, sent him to Atlantic City, where he played for the remainder of the summer. Earl Mack, Connie's son, had charge of the squad that season and thought pretty highly of O'Brien's work while he was under him. O'Brien spent the next winter tutoring in order to complete his studies to enter college. He entered Holy Cross in the fall of 1912 and appears to be pretty rosy for the local boy holding down the hot corner in the Purple team, but the robbery of Pat Cawley to play that position if he was changed started trouble in the Purple ranks. O'Brien no doubt was the better of the two, for he could easily hold his own with Cawley as a fielder, and had him beaten all kinds of ways when it came to hitting. Cawley failed to shine while with Lawrence and Lowell this season. He is now with Belknap Falls. O'Brien, after making the southern trip with the Purple squad, refused to be used as a second-rater when scrubs worse than he was, were playing, and immediately deserted the ranks and went to Canada, where he caught on with St. John's team. Last fall he entered Tufts, but was not allowed to participate in baseball owing to a one year rule. Near the end of May when Tufts dental closed, O'Brien started for the Canadian border and has since been playing in that region. Several former New England league and Eastern association players are also in the same league with O'Brien.

THEATRE BASEBALL YESTERDAY

Teams from the Star Theatre, North End, and the Unique and Lyric Theatres, city, played the second game this season on the East End league grounds Thursday morning, resulting in a victory for the Star by a score of 6 to 3. The Star has won both games, the former being played on the North End league grounds. The feature of Thursday's game was a double play by Kyffin, Gale and Scott and three base hit by O'Regan. Mike Kelly, the popular piano player of the Star, made the catch of the day, receiving a hot one at short and making a double play at third, which gave a startling finish to what proved to be an interesting game. Bucky Lynch umpired with great satisfaction. The following is the score and summary of the game:

COBB AT WHITE HOUSE. Washington, July 31.—"Ty" Cobb was a White House caller today. He came with Representative Tribble of Georgia, and President Wilson greeted him warmly. GRAND CIRCUIT RACES ARE POSTPONED. Grand Rapids, Mich., July 31.—Rain caused the postponement of today's Grand Circuit harness races. The program will be run off tomorrow if possible, and Friday's card has been put over until Saturday.

HORSE RACES MOOSEPATH TOMORROW

A great crowd is expected at Moosepath Saturday afternoon where great racing is surely to take place. There will be a free-for-all, Class A pace and class A trot, and the three classes will bring out some of the fastest ones in the city. The old rivals Jay Wilkes and Pearl Brownmore are entered in the free-for-all, and with Harry E. another fast pacer, also having a mark in the fast mark will create great interest. In the winter of 1912 Wilkes beat Pearl, but last winter in the match race at Fredericton they will come together in the free-for-all. In class A pace, Luck, who chased Jay Wilkes hard last Saturday, and Victor E. Cassie W. and Lord Minto will go the circuit. These horses are very evenly matched, and all have a license for the free-for-all, so that the time to win will be at least a 2.5 rate. There is a possibility of a side step going in the free-for-all, as Victor E. Cassie W. has been in a job to the wire, but if she does not go there she will be seen in mile heats with Ed. C. and Nan Paterson. The track last Saturday was in the best condition it has been in years, and the management will have men working on it Friday and Saturday to help the horses make the fast time Saturday. On account of the great rivalry between Jay Wilkes and Pearl Brownmore's admirers a train will leave Union depot at two o'clock, and a bumper crowd is expected. Every day the horses are being worked out in miles and the owners are leaving no stone unturned in an endeavor to win the pole and keep it to the end of the race.

PITCHER BENTON RECOVERING

Cincinnati, July 31.—Rube Benton, pitcher for the Cincinnati National team, is slowly rallying from injuries which he sustained early Wednesday morning, when his motorcycle had a head-on collision with a street car. At the hospital today it was said by his attending physician that he was still in a serious condition and would not be able to leave for more than a month and that he would not be able to play any more this season, even though he recovered in time.

PERUVIAN RIFLE TEAM ARRIVES. New York, July 31.—Nine members of the Peruvian rifle team, which will enter the International contest at Camp Perry, Ohio, next month, arrived here today on the steamer Santa Marta from Colon. This team was selected after a competition among 40,000 riflemen.

MARATHONS AND ST. CROIX RECEIVE THOROUGH TRAINING

BANGOR, 16; MARATHONS, 2. Special to The Standard. Bangor, Me., July 31.—In an awaiting feat Bangor today took a score of 16 to 2. Leonard sent his new recruit from Maine, Rogers, in the box and Bangor got to him for 17 hits in seven innings. The game was marked by heavy hitting on the part of the home team. "Blondy" Wallace was on the mound for the home team. His work was about the finest ever seen here. The visitors could only find him for two safe singles, one a three base hit for two base singles, and a triple by Pinkerton in the fourth, and the other a single by the same little second baseman. Wallace had fine control, striking out six and allowing but two passes. Bangor started the game with a home run drive by Reed to centre, Connaughton singled and scored on a double by Matthews. They got two more in the second on two singles, and a triple by Connaughton. The visitors pushed their first run across in the fourth. A triple by Pinkerton and a long fly to the outfield by Pease. In the fourth Bangor got two more, a base on balls and a walk singles, the fifth two more were pushed across. Brooks tripled and after two men were out, Connaughton worked for a past. Boardman was hit. Then came a sweeper. He polled a heavy single down the third base line scoring Brooks and Connaughton. There was nothing doing in the sixth. In the seventh four singles, two doubles and a base on balls sent five runs over. The visitors got one in their half of the eighth. Ramsey hit one to the hitting in centre and he nudged it. After the next two went out Connaughton singled scoring Ramsey. Rogers was taken out in the eighth and Williams went in. Reed was an easy out. Connaughton came across with a home run clean to the race track, making his fifth clean hit of the game. After this both sides went out in order. The features of the game were the hot pitching of Connaughton and J. Conley, and the hitting of Connaughton and Matthews. The box score and summary follow:

He thought the idea that teamsters adopted modern and used the telephone they were more business than standing waiting for it to come to them. After an interchange of conversation Com. McEllen and Jones, the council decided not to allow the teamsters to stand on the north side of Square. The Daily Hint from Paris.
