COL. KIRKPATRICK

Mrs. E. Atherton Smith, regent of Royal Standard Chapter, I.O.D.E., was very much gratified on receiving the following acknowledgment of mits, etc., from Capt. F. A. Kirkpatrick:

Dear Mrs. Smith—
Will you please accept for yourself, the members of your chapter of the I.O.D.E., and outside friends, the sincere thanks of myself, the officers and men of 32nd Company Canadian Forestry Corps, for your prompt response to my appeal for mits for this company.

The parcels arrived today, safely, and I can assure you that they are just what are needed, and will be exceptionally useful in the carrying on of our operations. Fortunately for us, we have had a month of very fine weather, otherwise the men would have suffered real hardships for want of gloves and mitts, as they were practically unobtainable in quantities sufficient for our needs. All ranks deeply appreciate the kind efforts of you and your fellow-workers in our behalf.

I am, yours very truly,
F. A. KIRKPATRICK,
Capt. 32nd Company Can. Fr. Corps.

ALLIES' AID CONCERT

An entertainment given last evening in Trinity schoolhouse by the Allies' Aid proved a delightful one, and great credit must be given both the performers and those who trained them.

There was a good audience present and the applause was frequent and hearty.

The chief item on the programme was a comedy in one act entitled "A Little Mistake." There were six girls in the cast and all did splendidly. Miss Fannie Goldfeather as the cook, was especially funny. The young ladies looked very charming.

The patriotic tableaux "The Call and The Answer," were pretty indeed. The national costumes were well carried out.

A duet by two members of the Allies' Aid was enjoyed, and a chorus by the entire company well sung. Drills and songs by the boys from the Wiggin's Orphan Asylum were splendidly given. Pianoforte solos by Mrs. W. Smith gave much pleasure.

Miss Marjorie Pearce trained the young ladies in the play, while the editor of The Children's Corner in The Standard was general convener for the entertainment. The proceeds are for patriotic purposes.

The society is indebted to the following, who have kindly loaned scenery, and furniture:—F. G. Spencer, the Lyric theatre; W. H. Hornbrook, King street; Jones Electric company, city; and also to the Rev. R. A. Armstrong for the use of Trinity church schoolhouse.

VALCARTIER CHAPTER
GIVES CONCERT

Music in the Home

FEMALE ORCHESTRAS.

We have all heard female orchestras. Some of them have shown marked proficiency; yet when we see a woman putting at a trombone, swallowing a clarinet, or tooting on a flute, we remember the words of Lord Julian de Medici to the Duchess of Urbino, the Lady Elizabeth Gonzaga.

Having said that he would not see women using swift and violent tricks in dancing, or playing on instruments, "those hard and loud divisions that declare more cunning than sweetness," he added: "Likewise the instruments of music which she useth (in music opinion) ought to be fit for this purpose. Imagine with yourself what an unsightly matter it were to see a woman play a tabor or drum or blow in a flute or trumpet, or any like instrument; and this because the boldness of them doth both cover and take away that sweet mildness which setteth so forth every deed that a woman doeth. Therefore when she cometh to dance or to show any kind of music, she ought to be brought to it with suffering herself somewhat to be prayed, and with a certain bashfulness, that may declare the noble chastity that is contrary to such headiness."

What would these noble lords and dames of Urbino have said about the suffragists, picketers, or anti-pickers? Yet the Duchess of Ferrara maintained an orchestra composed of women.

last evening at the residence of Mr. and Mrs. R. H. Anderson, Queen Square. The concert was arranged by the Valcartier Chapter, I.O.D.E., and the proceeds are for the patriotic work of the chapter. The large audience present greatly enjoyed the many fine number on the programme and expressed their appreciation. After the concert came to an end an impromptu dance was enjoyed by the guests. Those taking part in the programme were: Miss Gladys Grant, Miss Louise Anderson, M. S. Gunn, Mrs. Clarke, Miss Jean Anderson, Miss Dorothy Bayard, Miss Louise Knight, Miss Grace Kohring, Mrs. Fred MacNeil, Dr. Bonnell, M. T. Guy.

PLEASANT ENTERTAINMENT.

Another of the pleasant monthly entertainments under the auspices of the Young People's Society of Centenary church took place last evening in the parlors of the church and as usual was greatly enjoyed by a large crowd of young people. An interesting programme of games and music.

Among those taking part in the games in such a manner that at the close it was voted one of the most enjoyable of the series held up to the present. Among those taking part in the programme were: Piano solo, Harry Dunlop, and readings by Miss Jean Teed and Gordon Stevens. Refreshments were served during the evening.

TRUE CANADIAN S. C. A.

The True Canadian S. C. A. of West St. John, elected their officers for the year at their last meeting as follows:—President, Mrs. George F. Todd (re-elected president till after the war); vice-president, Mrs. George Carleton; 2nd vice-president, Miss Maud Groves; 3rd vice-president, Mrs. Alcorn; recording secretary, Mrs. R. G. Day; assistant secretary, Miss Mabel London; corresponding secretary, Miss Rita Charlton; treasurer, Mrs. Harry Walton; assistant treasurer, Mrs. Harry Gallant; convener, Mrs. Patterson; convener of wool, Mrs. Scarry; convener of towels, Mrs. Stealy; convener of tobacco, Mrs. Chas. Nice; R. Hunter Parsons was appointed auditor.

Report were heard from the committees, all telling of good work. That from the Travellers' Aid stated that 190 trains had been met by Miss Hoyt, and 80 people brought to the

the food profiteers, for three days this week. The story shows the evils of food trusts, the temptation of money above honor, and the influence of a woman against political schemes. Strange to say and very modernly the woman does not sit at home and diffuse that influence, but she gets out and makes speeches all over the country. She stirs up public opinion, that strange force so potent when aroused, and teaches her hearers to act quickly, writing to their representative to vote for the bill which is to put the cold storage plants under government control. Her campaign is a great success, the bill passes the house amidst scenes of enthusiasm, but for all that the food trust man himself had to come to the rescue and show the flaw in the bill itself. It stretches the imagination to believe the plot of the picture when it comes to the doctored bill, but perhaps they do things differently wherever the production was staged.

There is a most dramatic moment in the story when the heroine rushes into the church meeting holding a dead babe in her arms and charges the speaker with the murder of the child as he (John Black) was the head of the food trust and as such was to be held responsible.

The types chosen for the farmers are well picked out. Charles Richman is the featured star with Mary Fuller in the heroine's role.

THEATRICAL MEN HOLD CONFERENCE WITH PREMIER.
W. H. Golding, F. G. Spencer, W. C. McKay and F. W. Winter, of Moncton, representing the exhibitors of New Brunswick, held a conference yesterday with Premier Foster regarding details of a proposed tax upon entrance tickets for theatres. The question was gone into thoroughly, a spirit of patriotism being shown by the exhibitors and a desire to do the best thing for all concerned.

New Brunswick is at present the only province without such a tax.

Cincinnati man tells how to shrivel up corns so they lift out.

Ouch! ? ? ? This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezezone when applied to a tender, itching corn stops soreness at once, and soon the corn dries up and lifts right out without pain.

He says freezezone is a sticky substance which dries immediately and never indurates or even irritates the surrounding tissue of skin. A blister of an ounce, which will cost very little at any drug store, is said to be sufficient to remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels.

The regular meeting of the board of directors of the Young Women's Christian Association was held Tuesday afternoon in the Transient Home on Union street, Mrs. John A. McAvity presiding.

Home, as well as many others assisted in various ways. The work of the Travellers' Aid is growing more and more valuable.

Several important matters came up for discussion and matters of routine business were settled.

Mrs. E. Atherton Smith, president of the N. B. Auxiliary to the Maritime School for the Blind has received \$41 in donations for the institution.

"The Price of a Good Time"

If Lois Webber had not been fortunate in anything else connected with her picture she has been fortunate in the title which is attractive and yet infers the fact that it is a picture with a purpose one is to see. The story from which the Jewel Production was taken, was originally called The Whim and this, while appropriate, also, has not the force of the latter name.

To my mind it is a most excellently produced picture and that it teaches a very good lesson is very apparent. While the moral is strongly present it is not forced home but left to sink in. There is the lesson to parents to make the home happier and more of a desirable place to stay at night, instead of the daughter's being obliged to seek entertainment elsewhere.

Then for brothers there is the warning not to neglect their sisters only scolding them for wishing to have a little fun instead of helping them to have that fun.

In the upper strata of society the lessons are many and easily seen and the sad ending of the rich young man's wife teaches one very pointedly. There is a very pointed lesson to citizens to provide places for girls like Linnie to have "good" times free and with no terrible price to pay.

The lives of the two girls working side by side in a department store are strongly contrasted. Molly has happiness at home and in her love affair while poor little Linnie has absolutely nothing—a drab existence. Linnie is offered a good time for one week by Preston Winfield, the son of a wealthy department store owner. Winfield has become engaged to an icy society girl who is only marrying him for his money and to whom Winfield can give nothing that pleases. She even treats upon his offering of orchids.

It was horrid to think of wasted orchids! Linnie's enthusiastic enjoyment and her quick response to kindness is very touching but it was misplaced kindness and only made the ending all the more pitiful.

Mildred Fisher plays the poor Linnie with much appeal. With her personality and acting she holds the sympathy of the audience. Kenneth Harlan is seen as the rich young man and does it well. The rest of the cast are excellent in their parts. The attention to detail shown by Lois Webber and Phillips Smalley is most noticeable. To only mention a few, the luncheon party stands out as a most sumptuous affair with many characteristics of society girls displayed, the homely touches in the tenements and the chaffing dish supper served by Winfield are all so realistic and so well thought out. The screen as a medium for teaching moral lessons has certainly demonstrated its usefulness. As well as the feature film was shown at the Imperial a scenic picture and Madam Vera Di Bassini was heard in two songs, "Waiting" and "Comin' Thro the Rye," both of which she rendered in a delightful way.
