NOT ASPIRIN WITHOUT
THE "BAYER CROSS"

Any Tablet Offered as Aspirin and Not Stamped with the "Bayer Cross" is Not Aspirin at All!

"Bayer" Now Made in Canada—No German Interest—All Rights Purchased from U. S. Government

There is not a penny of German money invested in "Bayer Tablets of Aspirin" nor will a German citizen profit by its sale or ever be allowed to acquire interest.

The original, world-famous "Bayer Tablets of Aspirin" is now made in Canada and can be had at your druggist's in handy packages.

Unless you see the "Bayer Cross" on package and on tablets you are not getting Aspirin at all.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. But there is no substitute for genuine "Bayer Tablets of Aspirin" which have been proved safe by millions for Pain, Headache, Toothache, Earache, Rheumatism, Lumbago, Colds, Grippe, Joint Pains, Neuritis.

Proper and safe directions are in every "Bayer Package."

Don't accept Aspirin in a pill box. Buy a "Bayer Package"!

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules.

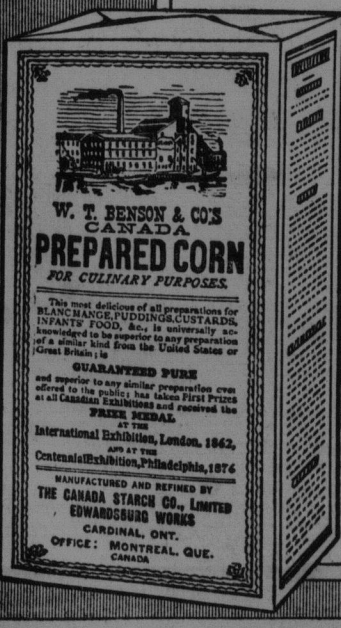

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocarbonate of Sodium. While it is well known that Aspirin means Bayer, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

BENSON'S
Corn Starch

Pie Fillings!

A little Benson's Corn Starch should be introduced into juicy fruit pies, such as rhubarb, cherry, etc., to prevent running over.

Orange Cream Pie (see Recipe below) is not difficult to make and will prove a happy addition to your dessert repertory. Serve custards, blanc mange, sauces, gravies, cakes and puddings made with Benson's Corn Starch. Write for booklet.

PIE CRUST
Take 1/2 cup flour with 1/4 cup of Benson's Corn Starch, 1/4 teaspoonful baking powder, 2 tablespoonfuls of Maida, or butter, 1/4 cup of cold water, 1/4 teaspoonful salt. Sift flour, corn starch, and baking powder in a bowl, and shorten, rub fine through flour, add salt and water. Turn onto board, roll lengthwise till smooth and use as desired.

ORANGE CREAM PIE
Place in saucepan over the fire, 1 tablespoonful Benson's Corn Starch, 1 cup water, 1/2 tablespoonful of sugar and 1 tablespoonful of Lily White Corn Syrup. Boil five minutes. Remove from fire, add yolks of two eggs, 1/4 cup of orange, and juice of one orange and 1/4 lemon; mix well. Line greased pie pan with very thin pie crust, brush out with beaten eggs, and sprinkle with bread crumbs. Pour in above mixture and bake in medium oven till crust is light brown.

Beat the whites of the eggs very, very stiff; add one table-spoonful of powdered sugar. Arrange by spoonful on top of pie and set in hot oven to brown a nice color. Serve cold.

ARRANGEMENTS FOR PATRIOTIC
DEMONSTRATION WERE DISCUSSED

At Meeting Yesterday Committee Were Appointed to Look After Programme for Soldiers' Day and Welcome to Prince of Wales—School Children to Take Part—Housing Accommodation and Sports Programme Considered.

Arrangements for the patriotic demonstration on Soldiers' Day, the 14th of August, and for the welcome to the Prince of Wales on the 15th, were discussed at a meeting held in the Board of Trade rooms yesterday afternoon, with Mayor Hayes in the chair, and committees were appointed to prepare the programme of entertainment for both days and to organize various features of interest.

General H. H. McLean said they should arrange for a concourse of school children arrayed on benches on the slope of Prince William street at Reed's Point to welcome the Prince on landing on Canadian soil. The children could wave flags, and sing a verse of God Save the King, or O Canada. This would be a form of welcome which would be thought, he very pleasing to the Prince.

Mrs. G. A. Kuhring said that having the Prince welcomed by the school children in some such fashion had been discussed with Dr. Bridges before his departure to England, and the School Superintendent favored the idea, and said it could be made a success. There would be no doubt about the interest of the children. They could stand on the slope arranged in rows and wave flags, and sing a verse of God Save the King, or O Canada. It had been suggested that when the Prince landed, the children would sing the Doxology, assisted by a number of church choirs, as a token of thanksgiving for his safe arrival on our shores, and then sing a patriotic verse. It was proposed to select 500 or 600 from the different schools, who would be trained in advance for their part in the programme of welcome.

General McLean—An excellent idea. E. S. Ritchie, who was secretary of the meeting, suggested that the children should be dressed so that they would present a picture of an animated Union Jack.

General McLean—There must be seats for the children.

Walter Golding said he had been thinking of having a school children's assembly in front of the Imperial Theatre.

It was decided to ask the co-operation of Dr. Emery and the school authorities in carrying out this part of the programme.

A communication from Premier Borden stated that the railways would probably grant passes to returned soldiers who wish to come to St. John for the celebration. Major McLeod, president of the G. W. V. A., said it was estimated that seven or eight thousand soldiers would take advantage of the occasion to come to St. John to meet former comrades in arms, welcome the Prince, and take part in the rejoicing at the return of peace. Mayor Hayes, General McLean and Major McLeod were appointed a committee to inter-

view the railway authorities and see what arrangements could be made to provide free transportation for the returned soldiers.

The matter of providing housing accommodation caused considerable discussion. The idea is that many citizens will be glad to open their homes to returned soldiers, and receive them and their wives, if they bring them along, as guests. The problem of accommodating civilians who may come to St. John to welcome the Prince and take part in the demonstration was admitted to be difficult. Somebody suggested that a register be opened of parties willing to take in visitors as guests. The hotel proprietors were finally advised to get together and see what arrangements they could make to look after civilian visitors.

Mrs. Kuhring, Mrs. Powell and Mrs. Mulcahy were named a committee, with power to add, to look after the housing accommodation of returned soldiers, and arrangements will be made to have beds in the Exhibition Buildings.

The formation of a Hospitality Committee was considered, and it was decided to appoint the chairman of all the sporting organizations in the city to this committee. The heads of all such organizations are requested to meet in the Mayor's office at 2.30 o'clock Thursday afternoon.

Among the organizations which are asked to co-operate in making the programme a success are the R. K. Y. C., the St. John Power Boat Club, the Boy Scouts, the various Improvement Leagues, the Rotary Club, the Y. M. C. A., the Polymorphs, and the Salvage Corps.

Walter Golding was instructed to form a Publicity Committee to advertise the demonstration and welcome, and arrange for printing a programme of proceedings.

Sarcastic reflections were cast upon the condition of Prince William street, which will give the Prince and his first sight of the activities of the commission form of government, and the Commissioner of Public Works was requested to have the street repaired or some of the worst holes removed. Com. Fisher said he was willing to do what he could to improve the street.

Secretary Armstrong thought the commissioner should take steps to have the junk heap at the foot of the city's vestibule to the Royal Yacht Club removed, or, if they should cover the junk with bunting.

General McLean—it will be decorated with people. The Prince won't see it.

The question of decorating the wharves at Reed's Point, and hiding the more unsightly features of the city's vestibule to the Royal Yacht Club, was discussed, and it was said that the Provincial Government would probably grant that at the Governor-General and the Premier of Canada would be on hand, the Federal authorities might assist in decorating the surroundings.

H. L. McDowall thought they ought to have a brass plate on the spot where the Prince would first set foot in Canada. This was done elsewhere, and it was one way of commemorating the occasion.

Mayor Hayes—He will have to land on the old float.

General McLean said they should arrange to have men along the line of the procession who would start the cheering. In other towns where had lots of college boys who knew how to cheer it was easy to keep the crowds hurrahing. But in St. John they were backward in this respect. When the present King was here, the people did little cheering.

S. H. Mayes said St. John could not be expected along that line. If there was a ball game and somebody made a good play the outburst of cheering was simply immense, even in Carleton Place. But for the last four years they had been trying to get the citizens to cheer the returned soldiers properly, but they had not much success.

Mayor Hayes—Mr. Mayes and Mr. Allan Schofield have been our cheering leaders all through the work of receiving the returned soldiers.

General McLean—it can be arranged, and it should be.

Be Careful What You
Wash Your Hair With

Don't use prepared shampoos or anything else, that contains too much alkali for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain unsifted coconut oil, for it is pure and entirely greaseless. It's very cheap, and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy wavy, and easy to handle. Besides, it keeps and takes out every particle of dust, dirt and dandruff.

LIQUOR SEIZED.
The liquor inspectors made a seizure of a case of liquor in a garage near the corner of Main and Elm streets last evening.

RETURNED MAN
WAS ROBBED

For many months past there has been complaints made that some returned soldiers have entered houses in the city, drank liquor, went to sleep only to awaken and learn that they have been robbed. A few nights ago a returned man entered a house in the city with two women companions. He had been inebriated and soon fell asleep. Later on he was awakened and the women turned him out on the street. Shortly after leaving the premises he learned that he had been robbed of forty dollars. He made a complaint and Inspector Robert Crawford of military headquarters took up the case. The inspector called at the house and after some trouble the women admitted they had the money and turned it over to the officer. The returned man was quite satisfied in getting his money and refused to prosecute.

HER LITTLE GIRL
HAD DYSENTERY

Bowels Moved as Many as 25 Times a Day.

Dysentery manifested itself with varying degrees of intensity, but in well marked cases the attack is commonly preceded by some amount of diarrhoea, which gradually increases in severity, and is accompanied with gripping pains in the abdomen. The discharge from the bowels succeeded each other with great frequency, and the matter passed from the bowels, which at first resembles those of ordinary diarrhoea, soon change their character, becoming scanty, mucous or slimy, and subsequently mixed with, or consisting wholly of blood. Never neglect what at first appears to be a slight attack of diarrhoea or dysentery may set in.

Cure the first symptoms by the use of Dr. Fowler's Extract of Wild Strawberry.

Mrs. Jno. V. Tanton, R. R. No. 8, Warford, Ont., writes:—My daughter was taken down, two years ago, with dysentery, and I could find no help for her until I got a bottle of Dr. Fowler's Extract of Wild Strawberry. She was only two years old, and ate something different to what she was used to. She had as many as twenty-five movements a day, and mostly blood. We had the doctor several times, but no relief came until we used 'Dr. Fowler's.' I would not be without it in the house for a good bit.

Be sure and get "Dr. Fowler's," when you ask for it. Price, 25c. a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

ACADIA UNIVERSITY

WOLFVILLE - Nova Scotia.

Departments: Arts and Sciences. Applied Science. Theology.

Degrees: B.A., B.Sc., B.Th., M.A., and certificates admitting to the best technical schools. First two years in Agriculture given as electives in B.Sc. course. First year Medicine, Law, and Theology given as electives in B.A. Course.

Special Courses: Courses in Surveying, Draughting, Shopwork, Chemistry, Electricity, and Bacteriology, for returned soldiers.

Equipment: Largest undergraduate faculty in the Maritime Provinces. Three new and splendidly equipped Science Buildings.

Expenses: Expenses light, and over \$1,000.00 given in prizes and scholarships yearly. Send for calendar to Rev. George B. Cullen, Ph.D., D.D., LL.D., President.

Next term begins October 1st, 1919.

Acadia Ladies' Seminary

WOLFVILLE - Nova Scotia.

The Aim.—To prepare Girls and Young Women for complete living.

The Courses.—Twelve, including College Matriculation, General, Music, Art, Expression, Household Science, Business.

The Faculty.—Twenty-four Teachers of fine personality and Special Training.

The Equipment.—Modern and First Class in every respect.

A Junior School.—For Younger Pupils.

Information.—Write for illustrated book to Rev. R. T. DeWolf, D.D., Principal.

Next term begins September 3rd, 1919.

ACADIA COLLEGIATE

AND BUSINESS ACADEMY

A Residential School for Boys and Young Men.
