Leonard Never
To Fight Tendler

Champion's Manager Gibson
Offers No Other Reason
Than Hatred for Glassman.

It is expected to achieve
championship heights through
the medium of fighting Benny Leonard,
the hope can be dispelled.

"Leonard never will fight Tendler as
long as I am Leonard's manager,"
says Billy Gibson. And then, with
what the great descriptive writers
would term "a gleam in his eye and
encouraged emotion in his voice," Gib-
son added:

"I will never give Tendler or Phil
Glassman any chance to make money
through taking on Benny Leonard.
They could have their chance and
made a lot of money by getting one
or more matches with Benny if they
hadn't pulled one of the meanest
stunts within my memory."

Glassman Takes Another Forfeit.

"Leonard and Tendler each posted a
\$5,000 forfeit for appearance in their
match scheduled for Philadelphia last
summer. Near the end of his train-
ing, Leonard broke a thumb. Natu-
rally, he had to call off the bout. And
then Glassman, as manager of Tend-
ler, grabbed the \$5,000 forfeit and kept
it in that way he made a profit of
\$5,000 through the misfortune of Ben-
ny."

"It Benny had run of the match or
had faked some sort of illness rather
than go on with the fight, the collec-
tion of forfeit money by Glassman
would have been all right. But when
Benny broke a finger of his hand and
was crippled, it seems to me that it
lacked sportsmanship for Glassman to
take that \$5,000. But he took it and
he kept it."

"I might have, after a time, forgiven
Glassman for grabbing that \$5,000 if
he hadn't pulled another stunt on me
in much the same way the other night.
Sammy Mosberg, a youngster in whom
I am interested, was to fight Harry
(Kid) Brown, managed by Glassman.
Mosberg reported a few ounces over-
weight and Glassman promptly collect-
ed \$300 forfeit money."

"Right then and there I decided that
if Glassman is going to resort con-
stantly to enriching himself through
picking up forfeit money, he
would get a crack at Leonard, and he
won't."

Says Tendler is Overrated.

"I feel that Leonard can take Tend-
ler in almost any round that he
names. Tendler is greatly overrated,
anyway. I figure that Tendler will
lose his style of fighting would be about
the softest thing that Benny could
fight. But a lot of people don't think
so and such a match would provoke
probably a \$200,000 house, which
would mean plenty of money for Leon-
ard and a big stack of it for Tendler.
"But Benny and I are perfectly sat-
isfied to sacrifice whatever profits we
may make from such a match rather
than go on and let Tendler make a
nickel. He and his manager have
proved to be short-sighted guys. Both
he and Tendler have fattened their
bankroll in unsportsmanlike ways, and
that sets them out, as far as Leon-
ard and I are concerned."

Saskatoon Seeking
Supply of Labor For
Seeding Time

Demand for Girls and Women
on the Farm About Same
as Last Year.

Regina, Sask., March 7.—An esti-
mation that between \$,000 and \$,500
men will be required for seeding op-
erations on the farms in Saskatchewan,
the Bureau of Labor is laying the
plans to provide that amount of help
for the farmers this coming season, it
is announced here. The estimated
number of men required is about the
average of the past few years.

At a recent convention of Labor Bu-
reau officials the situation with re-
spect to women help was also thor-
oughly canvassed by the women in
charge of this branch of the work at
the various depots of the province. It
was the consensus of opinion that the
demand for girls and women on the
farms will be about the same as last
year, but that the prevailing wages
would be lower. Last year, domestics
from the old country were quoted \$40
a month, but this year it is the inten-
tion to offer \$25.

DOG INCONSOLABLE
SINCE CHUM DIED

Vancouver, March 7.—The annual
report of the chief of police just is-
sued contains figures which the Mod-
ernists of this city are feeling con-
siderable satisfaction over. The Mod-
ernists Act which involves govern-
ment control of the trade in stimu-
lating beverages became operative
May 1 of last year. The number of
arrests for drunkenness for the entire
year are 563 according to the report
while in 1920, when the Prohibition
Act was in force, arrests for drunk-
ness numbered 2,381. In 1919, the
numbered 1,810. Figures as issued
also indicate that bootlegging has al-
most entirely disappeared.

Carpentier Went
Under Operation

French Fighter Had Carbuncle
on the Neck—Contracts No
Way Modified.

Paris, March 8.—Georges Carpentier,
the French fighter, has been suffering
for the past few days with a car-
buncle on the neck. A surgical op-
eration was performed this morning
and it is expected that this will al-
leviate the trouble. Carpentier's fu-
ture plans and contracts it is announ-
ced will be in no way modified.

New York, March 8.—Al Lippe, man-
ager of Jeff Smith, Beyonce, N. J.,
middleweight boxer, today received a
cable message from Paris stating that
Georges Carpentier was very ill and
would not be able to meet Smith in a
twenty round match there April 8.
"Carpentier very ill. Operation nec-
essary. Postpone departure with
Smith," Lippe announced he had can-
celled his steamship passage and had
cabled See asking details of the
French idol's malady.

Calgary Boasts
New League For
Civic Improvements

Organized Citizens' Research
League to Increase Interest
in Civic Affairs.

Calgary, March 7.—For the purpose
of increasing interest in civic affairs
the organization of a "Citizens' Re-
search League" is now under way in
Calgary with many members already
enrolled. An inaugural meeting was
held recently, when it was decided the
league would operate under a charter
secured under the ordinance respect-
ing benevolent and other societies and
it was emphatically explained that it
had no relationship of any nature with
other organizations in the city.

Will Endeavor
To Regulate The
Grasshopper Pest

Edmonton, Alta., March 7.—Attempts
to regulate the grasshopper and other
insect pests so far as possible in
affected portions of Alberta will be
made by the provincial department of
agriculture this year, by means of leg-
islation proposed at this session of the
House. Hon. George Hoodley, Minis-
ter of Agriculture, states that the pro-
posed act will make compulsory the
taking of certain precautions on the
part of landowners to meet the grass-
hopper pest.

The compulsion will probably be
brought about through the municipal
organization and through the depart-
ment in unorganized districts. The
spreading of poison at the proper time
of the year will be required in all
places where the hoppers are known
to exist in menacing numbers. By the
means it is planned to overcome the
difficulty of certain farmers in a dis-
trict neglecting to take the proper
steps to cope with the pests at the
proper time of the season.

Gold Watch Turns

Up After Ten Years
Under Snow

Recently Found by Mountain
Climbing Party—in Good
Condition.

Vancouver, B. C., March 7.—A gold
watch, lost in the snow on a mountain
near Glacier, B. C., ten years ago, was
recently found by a member of a
mountain climbing party. It was in
almost as good condition as on the
day it was lost, and when wound, kept
perfect time. When found it was
lying on a rock at a height of about
7,500 feet and had slid through the
snow for some distance, a trail left
being plainly visible.

F. W. Johnson, of Vancouver, a
member of the British Columbia Moun-
tain Climbing Club, was the finder. From
an inscription on the back of the watch
the owner, Rev. Benj. F. Bacon, of
Yale University. The watch was
highly prized by Rev. Mr. Bacon, as it
was presented to him in 1893 by the
First Congregational Church at Os-
wego, N. Y. The watch has been re-
turned to Rev. Mr. Bacon, and with
it a fob, also a presentation received
while he was a member of a football
team in 1892.

Regina, March 7.—A record which
will stand for some time in the animal
world was recently created by a Sas-
katchewan cow when she gave birth to
five calves, all normal, weighing
about 30 pounds each. This cow, a
purebred Jersey, gave birth to three
normal calves last year.

British Fans Back

Lewis To Win Fight

Jack McAuliffe Says London
Sports Look for the "Kid"
to Beat Carpentier.

(By Jack McAuliffe, Retired Unde-
feated Lightweight Champion.)

London, March 8.—While the Car-
pentier-Lewis bout may be getting a
laugh in the United States, it is not
being taken as a joke by the British
fight fans.

"The 'Kid' literally has had London
by the ear since he returned to his
native land a year ago and the fans
really think he has a good chance to
win from the Frenchman."

Lewis was given reason that
Georges is not the greatest machine
he was before he met Jack Dempsey,
and that the "Kid" is punching hard-
er than he ever did.

London was elated over the way
Lewis finished Tom Gummer recently
and the fans were not impressed with
Carpentier's form against Cook, the
Australian.

Major Arnold Wilson, who is pro-
moting the bout, says he believes
Lewis has a good chance against Car-
pentier.

"He punches like a heavyweight and
his footwork is like a bantam's," Wil-
son told me. They like Lewis over
here because he is a good body punch-
er and they figure that Carpentier
showed himself very susceptible to an
attack "downstairs" when he met
Dempsey.

"The only thing Carpentier has on
me is weight," Lewis told me. "I'll be
giving away more than thirty pounds,
but I can do it."

Descamps still talks like he did at
Manhattan. "What! My Georges knock
out by zat Keed Lewis? Bah! It will
be like this—biff—bang—and your
Keed will be hearing the feeble birds
sing," he said.

BADMINTON GAME.

St. John's (Stone Church) Badminton
Club defeated the Badminton Club
of Centenary Church, 13 sets to 2, in
a friendly tournament played on the
St. John's courts Tuesday evening.
Refreshments were served. The chap-
terones were Mrs. Alfred Morrissey,
Mrs. J. W. McKean, Mrs. Gorham,
Mrs. George Warwick, Mrs. W. C.
Clarke, and Mrs. J. B. Thompson.

Alberta's Accident
Cases Totalled Over
7,000 In 1921

Total Compensation and Medical
Service Paid During
Year Was \$367,102.

Edmonton, Alta., March 8.—A total
of 7,069 accidents came under the
Workmen's Compensation Board of
the province during the year 1921,
according to statistics contained in
the annual report of the board tabled
in the Legislature by Premier Green-
field. In 1920, 6,426 accidents were
reported to the board. Fatal accidents
last year totalled 66, as against 81 in
1920.

The total compensation and medi-
cal service paid for during the year
was \$367,102, compared with \$248,026
in 1920. The average rate of bene-
ficial paid by the employers in all in-
dustries was 23 per cent on the gross
pay roll of 1921.

West Side Indians
Will Play Sussex

"The West Side Indians will play
the Sussex hockey team at Sussex Fri-
day night," was the statement made
by a representative of the West Side
hockey team last evening, who an-
nounced that he had just completed
arrangements for the game with Man-
ager Vickers of the Sussex team over
the long distance telephone.

The Indians, who are confident of
their ability, granted fast ice, and the
presence of all their players—which
as the majority of them are Winter-
port men is at all times governed by
the coming and going of the ships—is
not always possible. They will go
into the game Friday evening strength-
ened by the addition of Fraser and
B. Mooney of the St. John Senior
team on their line-up.

The players will be: Blanchard,
Fraser, Doyle, Boudreau, Downey,
Mooney, Kilpatrick and Burns.

Sussex Protest
Still A Topic

Fans Are Looking for Ac-
knowledgement from Ref-
eree That He Made Error in
Judgment.

The Sussex-Charlottetown hockey
game, which was protested by the
Kings county team, is still being
talked about by the fans. It will be
remembered that two island players
each had two minutes to serve in the
penalty box, but were allowed to play
by Referee Staples before the time
expired, something which is contrary
to the rules. At the time Captain
Hay, of Sussex, protested to the
referee, the latter claiming that it was
all right, as he had the rules. It was
during a time later that Captain Hay
was in the penalty box that Charlottetown
scored. The matter was men-
tioned to the president of the Cana-
dian Association, who in reply admit-
ted that the rules were to the effect
that the island players should not
have been on the ice until the pen-
alty time had expired, but as it was
an error of judgment on the part
of the referee, his ruling that Char-
lottetown had won should stand.

Mr. Staples has always been known
as a good official, but so far nothing
has been heard from him in the way
of an acknowledgment that he made
an error of judgment by allowing the
hockey rules to be broken. It was a
very important game, in as much as
the championship was at stake, and
from a fair standpoint an error of
judgment could not possibly change
the rules of hockey, which at all times
must be obeyed.

A general executive meeting of the
N. B. and P. E. I. League is to be
held at an early date and it is most
probable that the Sussex protest will
be one of the chief matters to be dis-
cussed.
