BLOODY BATTLE BETWEEN RIVAL CHURCH FACTIONS

One Man Dead, Two Will Die, and a Dozen More Seriously Injured Near Scranton, Sunday.

Scranton, Pa., Jan. 16—Rioting, which ...roke out today between rival factions ...t the Church of the Sacred Heart of ...esus in Dupont, near here, resulted in ...he death of one man, the probably fatal ...njury of two others, and the serious in...ury of at least a dozen more. Knives, ...evolvers and clubs played a prominent ...art in the riot, eleven state troopers be...ng among the injured.

George Greizor, the dead man, was ...hot through the thigh, the bullet sever...ng an artery. Trooper Ross Summer, ...f Pottsville, sustained a fracture of the ...kull, and Jos. Tins, of Dupont, was ...hot through the lungs. Neither is ex...pected to live.

This church has been the scene of half ...a dozen riots in as many weeks, one fac...tion objecting to the authority exercised ...by Bishop M. J. Hoban, of the Catholic ...diocese of Scranton, in naming a priest ...to take charge of the affairs of the ...church, and the other supporting him. ...Every time the newly appointed priest ...has sought to hold services he has been ...prevented from entering the church by ...the opposing faction, but today arrange...ments had been made to say mass under ...the protection of the sheriff, who called ...in the state police. A detail of a dozen ...troopers was on hand when services were ...to have opened, but so forbidding was ...the attitude of the crowd that a hurried ...call was sent in for more and twenty-...four responded.

MANY DEATHS DURING THE LAST WEEK.

The deaths in the city during the week ending Saturday numbered twenty-two. On first glance it would appear that the city was in an unhealthful state but a perusal of the detailed causes of death shows that at least one-third of the week's total were due to chronic causes and maladies of long standing. Senility claimed three victims as also did cancer, while diabetes had two deaths.

A reduction in the death rate caused by pneumonia is shown in the week's returns, when only two cases proved fatal. Although actual figures are not available a decided slackening is reported generally by city physicians in the prevalence of these cases. Last week's report gave a total of fourteen deaths, three due to pneumonia. The following is the detailed mortality list for the week.

Senility, three; cancer, three; diabetes, two; pneumonia, two; pneumonia and asthma, one, apoplexy, one, tuberculosis, one, jaundice, one; paralysis, one; brain tumor, one; perforating ulcer, one; meningitis, one; inanition, one; Aneurism, one; Angenia pectoris, one; not stated, one; total, twenty-two.

Rev. Mr. Robertson lives in Loggieville. For years he was the Presbyterian pastor at Black River in this county. He is still in good health.

Amherst Fire.

Amherst, N. S., Jan. 16—The three-story wooden building between the Maritime and Fuller blocks was gutted by fire yesterday. The loss is about $9,000. The occupants of the building were J. D. All poultry, whether they are ducks, fowls, turkeys or geese, must be given a good supply of fresh vegetables every day. If green food is withheld from fowls their feathers often assume a dry and withered appearance, and it may lead to feather eating. If this happens you will wish you had given them green food.

OUR SOLDIERS: HOME AND ABROAD

A great pride in his regiment, the 26th N. B. Battalion, is expressed in a letter from Major W. H. Belyea, of Newcastle, to a friend residing there. The following are interesting extracts from his letter:

"We are held pretty close to our own units and do not get much chance to wander about. Besides the weather is so rainy that we feel like staying under a roof when we get a chance. Also it is some job to get about through the mud which is plastered all over this country.

We would all dearly love to be home for Christmas but will have to make the best of where we are. We haven't the slightest doubt of the final issue of the war but fully realise we can only win by a wearing down process such as that by which the Northern States won from the Southern and which will probably take a year or more yet for us to do.

Two mornings ago the Germans tried a gas attack on a British division north of us. We were awakened by the rumpus before daylight and got ready in case we were called on. The edge of their gas cloud reached us and made our eyes and throats sting. However, the wind changed at day break. (The Kaiser had evidently over-looked making proper arrangements with his junior partner) and the Germans got some of their own gas. This, together with our artillery fire, caused their attack to end in complete failure.

By latest reports from home I am glad to learn that recruiting for the 132nd is real brisk. I wish Colonel Mercereau every success and trust his regiment will be an honor to the North Shore. In fact I hope it will be as good as the 26th, but it will have to go some if it does become as good. I could not leave my first love—the 26th—which has shown the way to all other New Brunswick regiments.

Courtenay Bay Call.

Some idea of the exhaustive call there has been made to Germans to join the colors is demonstrated in a striking way in a letter from a 26th boy to a friend in the city. A few days prior to the writing of the letter a German who was in a trench opposite shouted across to the New Brunswick boys: "How would you like to be working at Courtenay Bay now?"

Of course the speaker was not in view, but it is evident that he had at one time been a resident of St. John and learning that those opposite were from New Brunswick decided he would let them know that he was familiar with the old Loyalist City.

In Cape Breton.

Cape Breton has recruited over 300 men in a month and there is now talk of a Cape Breton battalion.

St. Andrews Responds.

A rousing recruiting meeting was held on Wednesday night in Grand Manan by Lieut.-Col. Percy A. Guthrie and Capt. L. P. D. Tilley. They were assisted by Sergt. Dalzell, a returned Charlotte county hero. About 400 people attended and the hall was beautifully decorated. Five recruits were secured, as follows: William McLean, Paul Ingersoll, Wellington Flagg, J. Paul Gaskill and Peter Murphy.

Men's and ladies' recruiting committees were organized in North Head, the officers being as follows: Men's committee—President, R. F. Lawson; vice-president, D. R. Logan, and secretary, D. Gaskill. Ladies' committee—President, Miss Annie Lawson; vice-president, Miss Annie Dalzell; secretary, Miss Annie Gaskill; treasurer, Mrs. William McLean. Mrs. McLean is the wife of one of the recruits.

Campbellton Recruits.

Campbellton reports the following recruits as having signed the honor roll this week up to Thursday night: John Wakink, Campbellton; J. A. McKinnon, Hopetown (Que.); A. McRae, East Macjarei (C. B.); Henry Estell, Belgium; Isaac Martin, Maria (Que.); Ernest Boudreau, Campbellton; Emile Carufel, St. Alexis (Que.); Ernest Davidson, Durham Centre (N. B.); Richard Irvin, St. Alexis (Que.)

The barracks quarters are being fitted up and the company expect to occupy them shortly.

Brother Died in Africa.

Word has recently been received in Charlottetown (P. E. I.), by Mrs. W. W. Stanley, of the death of her brother, Major Wendall L. Harvey, of the 3rd Infantry Brigade. He was in command of 6,000 men at a concentration camp at Potchistroon, preparing for the German East African campaign, when he died. He was through the German Southwest Africa campaign and has resided in South Africa since 1899. He is a nephew of Paul Lea, of Moncton.

Normal School Corps Win.

The New Brunswick committee of the Strathcona Trust Fund have made public their report which shows that the first prize for military drill was won by the Normal School Cadet Corps. Prizes aggregating about $850 were distributed. The idea of the fund is to stimulate the interest in physical and military drill in the different educational institutions throughout the country.

Newcastle Recruits.

Newcastle, Jan. 15—Following have lately enlisted here:

Andrew Crocker, aged 48, whose son, Robert, is already with the 55th.

Stephen Simon, jr., of Rexton, who have joined the 132nd; and the following who have joined the heavy siege battery: Frank Bradley, of Beresford, Gloucester Co., and Robt. McCallum and Patrick Boudreau, of Newcastle.

There were no recruits the last two days and no recruiting meetings held the last week. The recruits from the west of the county this year have nearly all been from Newcastle, North Esk, South Esk and Nelson parishes. The western end of this district will be worked next week, when Col. Guthrie will speak at Doaktown, Monday night and at Blackville Friday next. He will speak in Chatham Tuesday, Bathurst Wednesday and Campbellton Thursday.

It is estimated that today no less than 140 men have signed the honor roll at Newcastle for the 132nd overseas battalion. The following recruits have signed the honor roll at Newcastle since the New Year began:

Andrew Crocker, Walter J. Murphy, William J. White, Robert A. Williston, Ernest Matchett, Stafford W. Matchett, James McLean, Elmer McLean, D. Gordon, Jos. Manderson, Larkin Ronan, Newcastle; Harold Whitney, Whitneyville; Jas. C. Allison, Wayerton; Wm. W. Dunnett, Harry Johnson, Trout Brook; Cyrus Peters, P. E. Island; Vincent M. Holland, Redbank; Floyd A. Matchett, Walter Burns, Courtenay Matchett, Sunny Corner; Jos. Gallant, McLeod Mills; Jas. M. Fitzpatrick, Wm. D. Comeau, Thos. A. Campbell, Eddie T. Masterson, Nelson; Ed. Hachey, Petit Rocher; Stanley Matchett, Boom Road; Walter D. Colford, Cain's River; Stephen Simon, jr., Rexton; Frank Bradley, Beresford; Robert McCallum, Patrick Boudreau, Newcastle.

Charles B. Manning, of the 31st battalion, has been killed in action. He was formerly on the Transcript and Times' staff at Moncton. His only brother, Frank, died recently in the west. He is survived by his mother and two sisters.

St. Stephen Recruits

St. Stephen, Jan. 18—(Special)—This afternoon Colonel Guthrie and Captain Tilley addressed the ladies of this town and vicinity in the Bijou. The hall was filled to the doors. Mrs. G. J. Clarke presided and on the platform were Mrs. Irving Todd of Milltown, Mrs. A. Cameron and Premier Clarke. A committee of fifteen ladies was appointed to organize a recruiting campaign in this vicinity. This evening again the hall was filled to its capacity with men only. Shortt's military band furnished music. Addresses were delivered by the chairman, Mayor Grimmer; Premier Clarke, Captain Tilley and Colonel Guthrie. At the close of the meeting ten men signed up: Harry F. Gray, William Odell, Frank Lello, James Booth, Walter Thomas, Leslie Chublock and three others. Col. Guthrie and Captain Tilley will remain in town until tomorrow afternoon when they will go by Shore Line. There are others who will sign up tomorrow.

Woodstock Recruits.

The latest recruits reported from Woodstock are as follows: Rankine Wheary, Archie Sutton, Charles Troy, Lewis Niles, Douglas Moores, Harry Hockenhull and William Kennedy. They left immediately after their enlistment for Sussex.

Bridegroom Enlists.

Having been a benedict for only a few days, Roy B. Reid, of Upham, Kings county, has enlisted with the 104th Battalion for overseas service. He was married last week to Miss Mae Minue, of Fredericton. Three men left Fredericton on Saturday for Sussex, as follows: A. W. Whitlock, W. H. Styran and F. H. Mowatt. J. B. Fanning, of the same city, went to Halifax to join the 66th Princess Louise Fusiliers.

This makes a total of 184 men who have enlisted at Perth since August.

26th Boys are Well.

Private George Craik of the 26th Battalion and formerly of Newcastle, in a recent letter to a friend says as follows:

We are now out for a rest and all in good health, except slight colds, which we are seldom clear of, but that is nothing in time of war. It is reported that the Germans used gas the other day, but as we were out for a rest, we did not get any of it, and were not sorry, I can say. Give my regards to all the women who send us so many nice things; also our thanks and tell them we appreciate the gifts very much. I have not seen any of the boys from the 8th Field Battery for over a month and don't know what part of the line they are holding. It was they who supported us so well the time we got our christening of fire. The weather over here is very wet, and the whole country is nothing but a large mud hole.

Quite the Contrary.

"My husband tells me that he was out late last night with your husband."

"That isn't so. I want you to understand that my husband was out with your husband."—Detroit Free Press.

PRIVATE LESLIE SEELY DIES OF WOUNDS

PRIVATE L. G. SEELY.

Another member of the 26th battalion has given his life for his country. E. D. Seely, of 38 Wright street, received word on Saturday from the adjutant-general at Ottawa that his son, Leslie Gilbert Seely, had died on Jan. 7 of gunshot wounds in the back, at No. 2 Clearing Station. Private Seely's name appears in last night's official list.

Private Seely was only eighteen years old last August. Before going to the front he was employed in the sales department of T. McAvity & Sons, King street. His last letter home was written on Dec. 21. He had just come out of the trenches, and found several parcels awaiting him, and was in a most cheerful mood when he wrote.

Saturday's tragic news came as a terrible shock to the family, and will cause widespread sorrow, not only among personal friends, but among the citizens generally. He died as brave men die in the hour of their country's need, and his memory belongs to all who honor men who thus pay the last full measure of devotion.

CONDENSED NEWS: LOCAL AND GENERAL

The Rev. Canon Scott was mentioned in Sir John French's New Year's despatch amongst those who have rendered distinguished services at the front.

Rev. C. Gordon Lawrence, chaplain of the 104th Battalion, is in Halifax, taking a special military course. The new order has been lately issued calling upon all chaplains to take this special course.

Among the public bequests of the late Captain Guy Drummond, of Montreal, are $20,000 to McGill University, $10,000 to the M.S.C.C., $10,000 to the Church of St. John the Evangelist, Montreal, of which he was a member.

Mr. and Mrs. J. Alton Tingley, of Hopewell Cape (N. B.), announce the engagement of their daughter, Clissie Mae, to Mr. Frederic Heber Long, LL. B., of Medicine Hat, Alberta; marriage to take place next month in Winnipeg.

In a letter from the fighting line in France, published in the London Times, the following passage occurs: "One of our chaplains did a splendid thing. He went out after the wounded with the bearers, right up to the German wire. There were two, however, dying who could not be got away, and begged him not to leave them. 'Of course, I won't,' he said, and stayed there all night; but they died. He ought to get a V.C."

All are glad to learn of the improvement in the health of the Venerable Archdeacon Raymond. During the busy time of the quarterly meetings of the synod committees, the absence of the archdeacon is greatly felt, for there is probably no member of the St. John clergy who takes a more active and prominent part in the work of the diocese. The indisposition of the archdeacon must also have some effect upon the recruiting activities, as he has for many years been conspicious in military affairs.

Major R. H. K. Willans, O. C. "B" company sustained a rather painful injury yesterday whilst out on a route march with his company. His horse in attempting to cross a ditch, where the ground was soft, fell. The rider fell beneath the animal and had both knees injured. One of the sinews in his left leg was broken and it will necessitate his confinement to the house for the next few days. The injury, however, is not

A feature of the meetings of the Church of England synod committees being held in St. John this week, was the excellent report on the Rothesay Collegiate School submitted at a meeting of the board of education yesterday afternoon. It was shown by Rev. R. W. Hibbard, head master, that for the first time in the history of the school, the finances revealed a surplus and this at a time when the reverse is the case in so many educational institutions. The attendance stood practically as before. Two more had joined the colors to serve his majesty. The board demonstrated its appreciation of the excellent showing by voting the headmaster, Rev. Mr. Hibbard, an increase of $200 in his stipend.

What is without a doubt one of the oldest commissions held by any man in the province of New Brunswick is that in the possession of Ernest Hutchinson, the well known North Shore lumberman. Mr. Hutchinson secured his commission in 1865, and the official documents of this commission are among his most prized possessions. It was during the Trent affair which caused such widespread apprehension among the people of Canada, that he secured the commission. At that time two sergeants of the imperial army were sent out to Northumberland county, and on arrival there drilled the men in the tactics of war. Although nothing ever came of the affair many men drilled and Mr. Hutchinson still has intact his old uniform which he wore when connected with the 3rd Northumberland battalion.

ST. GEORGE CHILD DIES FROM BURNS

Ralph McHugh, the four year old son of Mr. and Mrs. George McHugh of St. George died Sunday morning from the result of burns sustained on Saturday morning.

The little fellow was in the habit of getting up in the mornings with his father when the latter lighted the fire. On Saturday the father had lighted the fire and left the little boy in the kitchen. Soon afterwards the child's mother heard screams and on rushing to the kitchen found the little fellow in flames. She immediately threw a mat around him and succeeded quenching the flames, but the burns were such that it was impossible to save the child's life and he died at an early hour yesterday morning.

MACE'S BAY RED CROSS DOING WELL

Mace's Bay, N. B., Jan. 18—A patriotic auction, supervised by two Red Cross workers of Mace's Bay has realized the net sum of $87. $55 of this is apportioned to S. C. Asso. and $50 to the Red Cross Society in St. John.

Since last June when this work was inaugurated we have contributed $136 to Red Cross work, beside knitting socks and making hospital garments. It is worthy of note that one of the workers, Mrs. Cyrus Shaw, beside knitting for her family of six children, and helping a neighbor, has made twenty-seven pairs of socks.

HE PAID VAN HORNE FOR ATTEMPT TO WRECK VANCEBORO BRIDGE

PROHIBITION TO BE TAKEN UP IN FEDERAL PARLIAMENT

Ottawa, Jan. 16—A request for a declaration as to their stand on the question of a federal measure for the prohibition of the manufacture, sale and importation of liquor throughout the dominion for the duration of the war, and for a three-year reconstruction period after peace is declared, has been mailed to the members of the government and to every member of parliament on behalf of the Citizens' League, which originated the movement. It is causing a considerable amount of uneasiness and political uncertainty to the government and the members of the house. The issue is bound to come before parliament this session, and it is understood that the replies of each individual member as to his stand on the question are to be made public by the league.

Sir George E. Foster, as acting premier, has given his reply. Although for many years an avowed prohibitionist himself, Sir George in his representative capacity has given a non-committal reply. In effect, he says that if it is made clear to the government that a sufficient majority of the people of the dominion desire such legislation, it will be the duty of parliament to pass it.

The general opinion of members of parliament is that while there will undoubtedly be a large proportion of the members in favor of a general federal prohibitory measure, the whole question will probably be shelved after a non-conclusive discussion has been engaged in and that prorogation will come with the resolution still on the order paper.

ANOTHER RAID ON NEWCASTLE HOTEL.

Newcastle, Jan. 14—The Miramichi Hotel was again raided yesterday under direction of Scott Act Inspector W. H. Finley and five barrels of liquor secured.

A second offence charge against Edward Dalton, of the Windsor, is on trial and has been postponed several times. A "third" charge is laid against the Miramichi and has also been postponed. These two cases arise from the previous seizures.

At last night's Town Improvement League meeting Jas. M. Troy, chairman, Ald. H. H. Stuart, secretary, steps were taken to form a branch of the Dominion Temperance Alliance and get ready to join in the prohibition campaign, and the work of the police committee and new Scott act inspector in enforcing the Scott act was unanimously endorsed.

The police rooms are so full of seized liquors that, if the pending cases are not decided soon, a new warehouse will have to be got to hold it. Dalton replevined his liquor Tuesday but Mayor Stothart and Ald. James Stables gave the necessary bonds and held the goods.

Messrs. Troy, Jas. Stables and Andrew McCabe were appointed a committee to interview Hon. John Morrissy re needed amendments to liquor laws, and concerning the promised prohibition legislation, and also to arrange for a temperance mass meeting to be addressed if possible by Donald Fraser, jr., president of the Dominion Alliance in New Brunswick.
