

## *Sunday School and Bible Class.*

### 60th Annual Report.

In presenting our annual report we are thankful to God for sparing all our teachers and scholars to us during another year. The school has been abundantly prosperous and the Bible Class has shown a steady attendance.

Besides we have re-organized the Mission School at Barberton, which has supplied the needs of our children there. It is important for all our parents to see that their children are prompt and faithful in their attendance at their own Sabbath School.

Further the Lesson Helps of this year make provision for the study of the Lesson at home, and we urge the parents to avail themselves of this method in our widely scattered congregation whenever it may be impossible for any of them to attend.

JOHN McCauley,  
Superintendent.
