Ohlheimer-Kuntz

A pretty nuptial event took place in the city today. The groom was Mr. Joseph Ohlheimer, son of Mr. and Mrs. Nicholas Ohlheimer, and the bride was Miss Irene O. Kuntz, daughter of Mr. and Mrs. J. D. Kuntz.

The event was solemnized in St. Mary's church at 10 o'clock this morning by Rev. Father Lorenz Kuntz of St. John's College.

The bride who was given away by her uncle, Mr. M. Montay of Waterloo, was prettily attired in a navy blue serge suit with Hudson seal fur trimmings and wore a black dress hat. She carried a bouquet of white and pink carnations.

The Misses Melinda and Tessie Kuntz, sisters of the bride, were the bridesmaids.

Mr. Hugo Ohlheimer and Mr. Herbert Ohlheimer, brothers of the groom, supported the latter.

After the impressive ceremony the wedding party repaired to the bride's home at 84 East Weber street, about 75 guests being present.

The bridal couple left on the 3:30 o'clock train for Buffalo and other points. On their return they will live in the groom's dwelling No. 84 West Weber street.

FOUR NO MEETING LAST EVENING

IOWA MAN URGES FOUR NO'S ON REFERENDUM

Meeting Held at St. Andrew's Church (Continued)

"If I had to vote 'Yes' on one of the four questions on the referendum ballot I would pick the first one because it would leave the responsibility and the shame attaching to the liquor traffic with those who are profiting by it."

This remark from Mr. R. N. Hespeler, Superintendent of the Anti-Saloon League of Iowa, veritably "brought down the house" at the big four-No meeting, at St. Andrew's church last night. He added: "If there will creep into our community individuals who will prostitute themselves by engaging in the liquor business let them bear the responsibility but let us keep our flags clean in our hands."

Forceful, pithy, and convincing were the arguments put forward by the Anti-Saloon speaker last night. His attacks on the liquor traffic spared neither the business itself, the individual engaged in it, nor the Citizens' Liberty League, of which he said: "Let nobody be fooled; it may look like a Liberty League, but it is the same old liquor traffic, the same old era of devil horns, hooch, and all."

He concluded his address with the injunction to "Vote No four times, and keep the snakes out of Ontario."

GREETINGS FROM OVER THE BORDER

In opening his address Mr. Hespeler said: "I bring to you greetings from the Anti-Saloon League of America, that great intelligent organization which has accomplished so much in fighting the liquor traffic in the United States, and the greetings of the temperance forces generally and all who believe in decency and righteousness, good government and clean morals, and all that makes for human uplift in the land."

"Your campaign in Ontario," Mr. Hespeler continued, "means more than merely keeping Ontario dry, which, of course, is sufficient incentive to you to induce you to defeat all four of the proposals on this ballot. It has a wider meaning. Prohibition in Ontario is worth all it costs and a thousand-fold more, but the movement in Ontario is only a part of the movement to make the whole of the Dominion of Canada safe, and that again is only part of that mighty movement to make the world a safe place in which to live, and hence for every person who seeks to fasten his purse off the weaknesses and vices of men. We are indeed allies in every sense of the word."

FOUR NO'S

"Ontario will vote 'No' on all of these questions, because an affirmative vote on any one of them means a return of the liquor traffic to Ontario. It doesn't make any difference how much sand or dust the liquor traffic tries to throw into the eyes of the voters on this question, it doesn't make any difference how much camouflage they use, the fact remains that the adoption of any one re-established the liquor traffic in the Province of Ontario. If you want the liquor traffic 'Yes' you cannot vote 'No' on the first question and 'Yes' on any of the others without voting 'wet.' You cannot vote 'Yes' on any one of them and be classed as an opponent of the liquor traffic."

ALIENS MAY NOT CARRY WEAPONS

BILL INTRODUCED IN COMMONS RAISES STRIKE

Ottawa, Oct. 7.—A bill introduced in the Commons today by Hon. C. J. Doherty, which provides that aliens must secure a permit before being allowed to carry any firearm before or offensive weapons, created quite a storm in the House.

Mr. S. W. Jacobs, M.P. for Jacques Cartier, was indignant at the discrimination against the alien. Was not a pistol as dangerous in the hands of a British subject as an alien? There should be one law applicable alike to British subjects and aliens. He was strongly supported in view by Isaac Pedlow, the Quaker member for North Renfrew.

AMUSING

Dr. Edwards, of Frontenac, was much amused to find a member of the Quaker faith pleading that every one should have the right to carry firearms.

Hon. Hugh Outarie, solicitor-general observed that the Government had received numerous petitions, particularly from Western Ontario, urging that aliens be prohibited from carrying weapons at all, with or without permits.

Mr. H. M. Mowat (Parade) expressed his dissent at the Opposition attitude. Aliens coming to Canada must not be given a license to pursue methods of their native land. They must be taught the Canadian bill was in the public interest and safety.

MOTORCAR MISHAPS

Pinned Underneath Smashed Car at Woodstock; Driver Made Miserable.

Woodstock, Oct. 7.—Five passengers of the auto driven by Mr. McConkie, of Norwich, had a narrow escape from death in this city today when the car shot back down the steep hill over the G. T. R. crossing at the north entrance to the city and plunged over a steep embankment, landing at the bottom overturned and with the occupants pinned underneath.

UNABLE TO WORK FOR FIVE MONTHS

Toronto Man Had Given Up Hope of Ever Getting Well—Tanlac Restores Him.

"My wonderful improvement since taking Tanlac has astonished many persons who knew how sick I was before," said W. M. Haxton, of 6 Cavell Street, Toronto, Ont.

"I had suffered from stomach trouble for seven or eight years," he continued, "and couldn't get a thing to relieve me. My appetite failed, nothing agreed with me and gas would form on my stomach and most me up terribly. My head would palpitate so I could hardly get my breath, and finally I got so bad off that I had to quit working. I fell off considerably in weight and felt that my case was hopeless."

"Since taking Tanlac I feel like a new man. I have gained eight pounds, my appetite is just fine and I eat three big meals every day and haven't a sign of indigestion. A few bottles of Tanlac have done me more good than everything else I have ever taken put together, and I never miss a day from my work now. I am glad to recommend Tanlac, for it certainly fixed me up all right."

TANLAC RESTORES HIM

She made a full confession to-day.

Mrs. Leukart, whose husband, R. Leukart, estate salesman, of Highland Park, was arrested on Monday and brought to the Oakland County jail.

Pathetic before she was removed from her home, on Beverley Boulevard, Royal Oak, the two little girls, Shirley, aged 8, and Edna, 6, were carried out to an ambulance. They were pallid with the approach of death after suffering from action of the poison.

GALT COUNCIL ASKS POINTED QUESTION

Desires to Insure Backing in the Legislature to the Scheme.

Galt, Oct. 7.—This city is a strong supporter of hydro radicals and desires connection with them and to insure backing for the scheme in the Legislature City Clerk Jos. McCartney on behalf of the city Council to-day forwarded letters to three candidates in the political fight in this riding, asking them to declare themselves perfectly on the platform in Galt, as in favor of the issuing of necessary order-in-council to prosecute construction of hydro radicals as already planned.

The Finance Committee of the City Council has under consideration a request from the G. W. V. A. for exemption from taxation of the property of returned soldiers under the amendment to the Assessment Act and also the proposition introduced by the Board of Trade to amend the Municipal Act, hotel accommodation G. Berhard agreeing to spend between \$80,000 and \$70,000 on an addition to Iroquois if the Government grants exemption from taxation for a period of 10 years. This proposition will go to the electors.

GUELPH REQUIRES OTHER RADIALS

COMMITTEE TO REPORT ON CONDITIONS.

Guelph, Oct. 7.—The chief matter discussed by the City Council at a lengthy session Monday evening was the Guelph Radial Railway and the best method to adopt in order to put the road on proper condition and provide adequate service.

Mr. Westby, chairman of the rail ways and manufactures committee dealt with the financial side of the question, stating that the situation was serious and that the loss this year would be over \$23,000. Opinion was general that under the particular condition the road could not be made to pay and that it would be absolutely necessary to get radical connection and improve the service if return were to be expected.

The report of the board of conciliation was adopted and a resolution passed providing for a committee composed of three representatives from the City Council, Chamber of Commerce, Trades and Labor Council and Retail Merchants Association to discuss the matter thoroughly and present a report to the Council on the best methods to be adopted.

In the meantime the Council is waiting for a report from the Hydro-Electric Survey Commission, whose experts have recently gone over the road.

THE CITY WATER COMMISSION IS TESTING OUT THE WELLS AND SATISFACTORY RESULTS ARE EXPECTED.

CHAMPION ELSON MACKAY, AGAIN IN FRONT

Is a Grandson of ex-Ald. J. F. McKay.

In the G.W.V.A. championship races, including motor cycles, bicycles and running, at Toronto recently, a well known young bicyclist of Toronto was the winner. He is Champion Elson Mackay, son of Mr. G. L. Mackay of the Canadian Wheelmen's Association. He is a grandson of ex-Ald. J. F. McKay.

A Toronto report on the young rider's prowess follows:

"The mile race for boys saw Champion Elson Mackay home in front, but he had a narrow squeak. C. Davy, one of the H. M. A. C. lads, specially 'prepped' to measure Mackay, had Mackay beaten at the stretch head but in the stretch drive Mackay outdistained him and won by a foot. The special boys' race for the Goodyear Donald second and Ravenhill third. The Dunlop Co. race for veterans, went to Mackay, with Sparks second and Harbord third."

Elson, who is only fourteen years of age, for some years has been known on tracks throughout this district as well as Toronto. In Waterloo he has been on the tracks at intervals and has always been admired by the spectators. Here is continued success to the youthful wheelman!
