

Temperance Column.

The Bishop of Sodor and Man, in his sermon in St. Paul's Cathedral on the occasion of the Church Pastoral Aid Jubilee, said:—

How important it is for us to bear in mind the ravages that are being made throughout our social system by Intemperance—homes ruined, parents ruined, children ruined. It is a growing evil, and it is one that will ruin our land if it is not soon dealt with summarily. Look at the drink bill of the nation, in spite of all depression, in spite of wages being low, and so forth; look at the enormous sum of money still spent on drink, and measure that sum by the small amount that is given for Christian missions. But how is the intemperance of the nation to be dealt with? Let us try every means in our power; let us further Total Abstinence in every way; but while we do these things, let us bear in mind that the Gospel, after all, is the only remedy. You may get a man to give up drink, and you do much for him in that—O, how much you accomplish!—but, after all, it is nothing to his soul; it is the Spirit of God, and the Spirit of God alone, that can make the man break off from drink, as from every other evil habit, and make him a new creature in Christ Jesus.

AN APPEAL TO THE MEDICAL PROFESSION.—The *British Medical Journal* contains a powerful appeal to the Doctors in an article which cannot fail to exert a widespread influence. Two points are brought out with great clearness, viz.:—(1.) We take it as conclusively proved that alcohol is not a necessary food, and that the most perfect physical and intellectual vigor is compatible with rigid total abstinence. We may go a step further, and confidently assert that people in perfect health are, as a rule, better without alcohol. (2.) We think we can affirm with equal confidence that, while alcohol possesses a certain and considerable medicinal value, its therapeutic range is gradually becoming more circumscribed.

The *Pall Mall Gazette* says:—Attempts have been made several times to found a Temperance Society in Paris, but without success. The Parisian cannot be induced to give up wine. Light wines are cheap in Paris, and, what is more, and worse, are considered essential luxuries of diet owing to the bad quality of the water, which is, indeed, undrinkable in some parts of the town. The drinking habits of the people are growing, for within the last few years the consumption of alcoholic liquor per head has doubled.

The twentieth annual report of the Liverpool Temperance and Band of Hope Union shows the affiliated societies to number 116, in connection with which 2,350 meetings were held, with an aggregate attendance of about 200,000.

WHAT Warner's Safe Cure CURES AND WHY.

CONGESTION OF THE KIDNEYS,
BACK ACHE.

INFLAMMATION OF THE KID-
NEYS, BLADDER OR URINARY
ORGANS.

*Catarrh of the Bladder, Gravel,
Stone, Dropsy, Enlarged Pro-
state Gland, Impotency or
General Debility, Bright's
Disease.*

WHY? Because it is the *only re-
medy known that has power to expel
the uric acid and urea*, of which
there are some 500 grains secreted
each day as the result of muscular
action, and sufficient if retained in
the blood, to kill six men. It is the
direct cause of all the above dis-
eases, as well as of Heart Disease,
Rheumatism, Apoplexy, Paralysis,
Insanity and Death.

This great specific relieves the
kidneys of too much blood, frees
them from all irritants, restores
them to healthy action by its certain
and soothing power.

IT CURES ALSO Jaundice, En-
largement of the Liver, Abscess and
Catarrh of the Bile Ducts, Bilious-
ness, Headache, Furred Tongue,
Sleeplessness, Languor, Debility,
Constipation, Gall Stones, and every
unpleasant symptom which results
from liver complaint.

WHY? Because it has a *specific and
positive action on the liver* as well
as on the kidneys, increasing the
secretion and flow of bile, regulates
its elaborating function, removes
unhealthy formations, and, in a
word, restores it to natural activity,
without which health is an impos-
sibility.

IT CURES ALSO Female Com-
plaints, Leucorrhoea, Displacements,
Enlargements, Ulcerations, Painful
Menstruation, makes Pregnancy
safe, prevents Convulsions and
Child-Bed Fever and aids nature by
restoring functional activity.

WHY? All these troubles, as is
well known by every physician of
education, *arise from congestion* and
impaired kidney action, causing
stagnation of the blood vessels and
breaking down, and this is the be-
ginning and the direct cause of all
the ailments from which women
suffer, and must as surely follow as
night does the day.

WHY Warner's Safe Cure is ac-
knowledge by thousands of our best
medical men to be the *only true
blood purifier*, is because it acts upon
scientific principles, striking at the
very root of the disorder by its ac-
tion on the kidneys and liver. *For,
if these organs were kept in health
all the morbid waste matter so deadly
poisonous if retained in the body, is
passed out.* On the contrary, if
they are deranged, the acids are
taken up by the blood, decomposing
it and carrying death to the most
remote part of the body.

WHY 93 per cent. of all diseases
which afflict humanity, arise from

impaired kidneys, is shown by med-
ical authorities. Warner's Safe
Cure, by its *direct action*, positively
restores them to health and full
working capacity, *nature curing all
the above diseases herself when the
cause is removed* and we guarantee
that Warner's Safe Cure is a posi-
tive preventive if taken in time.

As you value health take it to
avoid sickness, as it will at all times
and under all circumstances keep
all the vital functions up to par.

We also *Guarantee a Cure* and
beneficial effect for each of the fore-
going diseases, also that every case
of Liver and Kidney trouble can be
cured where degeneration has Not
taken place, and even then Benefit
will Surely be Derived. In every
instance it has established its
claim.

AS A BLOOD PURIFIER,

particularly in the Spring, it is un-
equalled, for you *cannot have pure
blood* when the kidneys or liver are
out of order.

*Look to your condition at once.
Do not postpone treatment for a day
nor an hour. The doctors cannot
compare records with us.* Give your-
self thorough constitutional treat-
ment with Warner's Safe Cure, and
there are yet many years of life and
health assured you!

GRATEFUL COMFORTING.

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural
laws which govern the operations of diges-
tion and nutrition, and by a careful ap-
plication of the fine properties of well-selected
Cocoa, Mr. Epps has provided our breakfast
tables with a delicately flavored beverage
which may save us many heavy doctor's
bills. It is by the judicious use of such arti-
cles of diet that a constitution may be grad-
ually built up until strong enough to resist
every tendency to disease. Hundreds of
subtle maladies are floating around us ready
to attack wherever there is a weak point.
We may escape many a fatal shaft by keep-
ing ourselves well fortified with pure blood
and a properly nourished frame."—*Civil
