PHILIPPE DE RIGAUD, &c.,  
MICHEL BEGON, &c.

On the petition presented to us by Messieurs the Ecclesiastics of the Seminary of St. Sulpice, established at Montreal, in which they represent that it would be to the advantage of the Indian Mission of Sault au Recollet, in the Island of Montreal, which is under their care, if the said Mission was permanently established above the Island of Montreal on the lands lying on the north-west side of the Lake of Two Mountains, which said Mission would be advantageous not only for the conversion of the Indians, who being at a greater distance from the city, would thus have no opportunity of falling into intemperance, but also to the colony, as by this means it would be protected from the incursions of the Iroquois, in time of war, praying us to grant them for the said Mission, a tract of land of the extent of three leagues and a half of frontage, commencing at a brook which falls into the Great Bay of the Lake of Two Mountains, and ascending along the said lake and the River St. Lawrence, by three leagues in depth, under the title of fief, with the right of superior, mean and inferior jurisdiction, with the privilege of hunting and fishing as well within the said tract of land as upon the said lake and River St. Lawrence, offering for the same, to bear themselves all the expense which may be incurred in the transfer of the said Mission as well as to cause a stone church and fort to be built on the place where the said Mission will be transferred, in consideration of which,

We, in virtue of the powers to us jointly entrusted by His Majesty have given and ceded and by these presents do give and cede to the Sieurs Ecclesiastics of the Seminary of St. Sulpice established at Montreal, a tract of land of an extent of three leagues and a-half of frontage beginning at a brook which runs into the Great Bay of the Lake of Two Mountains and ascending along the said Lake of Two Mountains and the River St. Lawrence, by three leagues in depth, to enjoy the said Sieurs Ecclesiastics, their successors and assigns for ever, *even if the said Mission be taken away from thence*, in full property under the title of fief and seigniory, with the right of superior, mean and inferior jurisdiction, with the privilege of hunting and fishing as well within as opposite the said Mission, on the said lake and River St. Lawrence, on the condition that they shall bear the whole expense necessary for the removal of the said Mission and also cause a church and fort to be built there of stone at their own cost, for the security of the Indians according to the plans thereof which shall be by them handed over immediately to be by us seen and approved, and
