OUR NEXT ISSUE

WE do not forget that before we go to press again the birthday
of Canada will have come and gone. Our next issue is July 6.
In that issue we propose to give readers of the Canadian Courier a
brief but convincing resume of how this country looks to us as a
United Canada, occupying her place in the Empire as a league of
nations. We believe that the Canadian Courier is entitled to some
convictions on this anniversary subject, because we have consistently
stood for a real, practical unity growing out of a mutual understand-
ing. Even The Veteran, organ of the G. W. V. A., and the Toronto
News admit that the situation in Quebec has improved, and that we
seem to be on the road to a national unity of action. We have always
believed that more could be accomplished by each side getting over to
the other as much as possible, and we shall never believe that a real
national unity can ever be got by any other method. Neither shall we
be able to meet the difficulties still bound to confront us in the racial
problem, unless we put the accent always on where we can agree and
try to be as sensible as we can in the controversies.

"Cause Thine Ear to Hear"

Hear Clearly and Distinctly
With the Aid of the

Little Gem Ear Phone

The instrument which received
the GOLD MEDAL (highest award)
in competition with the world at the
Panama Pacific Exposition in 1915,
when proclaimed to be superior to
all other hearing instruments.

Many hearing devices were intro-
duced to you, and most probably you
have tried some. Don't be dis-
couraged.

The Little Gem Ear Phone will
give you all the comfort you are
longing for. It is simple, small, in-
conspicuous, easy to wear, and ad-
justable to nine different tone
strengths, covering every shade of
sound.

No metallic harshness. It is the
last perfection of science.
