

# The Countess Shoe

WE have introduced a new shoe recently and it has given satisfaction. Our idea was to rival the best American shoes for women and save our customers the duty.

Try ordering a pair of these shoes by mail. We are convinced that you will not be disappointed.

## Four Dollars for Boots—Three-Fifty for Oxfords

These five styles were picked from over 100 different models from the United States, Canada and elsewhere. Made in the popular sizes and widths. Our own shoe, and we think it will do us credit.

Cut out the style you like and send in your order, giving size and width required :
