

Cornwall 14th June 1826

Sir,

Inclosed herewith you have the required Duplicate of my Return for the year 1825, in making out which I discover an error of one Bushel wheat which leaves a difference in the footing of debtor & creditor; whether this error is an original one, or whether it was committed in the copy from the original I am at a loss to know. Indisposition precluded the possibility of my sending you the Return sooner.

I have the honor to be
Your Obedt Servant
