	1-12-42		<p>Pilot Officer R. MacLeod (C12418) reported to Navigation Section as an instructor from No. 1 A.O.S., Malton, Ont.</p> <p>F/L Nunn proceeded on temporary duty (48 hrs.) to #1 I.T.S., Visual Link Section. Much valuable information evolved by P/O D.C. Williams &amp; Prof. Jackson re improved methods of aircrew selection using Visual Link as a selector was procured, particularly the X (Chi) method of distinguishing Ceased Training cases from pilot material in the borderline group of Link Scores. This formula is being applied to Courses 49-53, inclusive for which reports from E.F.T.Ss. have been completely received to prove that it is applicable to scores obtained at this School. A report will be prepared and presented to the Commanding Officer for his consideration and the advisability of its adoption discussed.</p>
