Proposition 3. IF YOU ARE ONE OF THE ROBUST CANADIANS WHO HOPED AND EXPECTED THAT THERE WOULD BE A LESSENING OF GOVERNMENT CONTROLS WHEN THE WAR IS OVER, THE CCF HASTENS TO ASSURE YOU THAT NOTHING THAT YOU HAVE EXPERIENCED IN THE WAY OF GOVERNMENT CONTROLS IN WAR TIME WILL COMPARE WITH THE GOVERNMENT CONTROLS THAT THEY WILL SET INTO OPERATION IF THEY GET INTO POWER IN PEACE TIME.

(a) The CCF Plan for Canadian Life
(i) "In the chapter entitled 'The CCF Comes to Power', we read (p.150) 'The CCF will immediately establish the National Planning Commission, whose tasks will be to plan for the production, distribution and exchange of all goods and services, and this Commission will consist of a small group of economists, engineers and statisticians; it will formulate recommendations to the CCF Government.' 'Side by side with the National Planning Commission will be established provincial and municipal planning bodies.' (p.151) On page 152 we read, 'The planning boards which the CCF will set up will be very different' (from the other planning boards that have operated during the war), 'they will be staffed by different people.'" (p.153)...Quoted from "You Knew What You Were Voting For", p.7.
