

## Industrial Mission

---

investors in the assured enhancement of values which the rapid development of Mission City is bringing every day. These extremely low prices are a further inducement as a very modest sum invested will give a substantial return. It is not easy to refrain from statements which, though amply justified by the inducements **Industrial Mission** offers, might sound glowing to conservative investors. It is to these alone the owners of the property desire to appeal, and therefore we merely say:—"Come and see."
