

MY HYMN THIS WEEK.

—O—
YIELD not to temptation
 For yielding is sin,
 Each victory will help you
 Some other to win.

MY LESSON STORY THIS WEEK.

ONE day Willie was watching the cook as she pared some apples to make a pie. As she took up a very nice looking one with shining cheeks, Willie said, "Oh what a pretty apple!" Cook peeled it and cut it in two, and there was a big black spot in it—a worm had eaten its way in, and made the apple that looked so pretty on the outside, black, and bad at the heart. Willie said, "Why cook that apple is not a christian." "What do you mean?" said cook. "Don't you see that it has a bad heart," was Willie's reply. "One day in Sunday school, teacher showed us a heart with black spots on it, and she told us if we were not christians, we had black spots of sin in our hearts, and that God could see the sin in our hearts just as plain as we could see the black spots on the card-board heart she showed us." Yes, Willie was right, God can see right into our hearts children. We may have nice clothes, and everything to make us look pretty on the outside, but God can see further than the outside, and unless our hearts are pure and free from spots of sin, we are not pretty in his sight. Let us ask his Holy Spirit of Love for Jesus' sake to take out these spots of sin, and make our hearts pure and good, and beautiful in his sight.

MY QUESTIONS THIS WEEK.

1. Who sold their possessions and brought the money to Peter?
2. What sin did they commit?
3. What happened to them?
4. What is the Golden Text?

MY PRAYER THIS WEEK.

OR God! I pray that when the Holy Spirit reads my heart,
 He may not find it false but true.
