POWER EDITION

OF THE

CANADIAN MANUFACTURER

DEVOTED TO THE PROBLEMS AND NEEDS OF POWER USERS.

Vol. 57. No. 6.

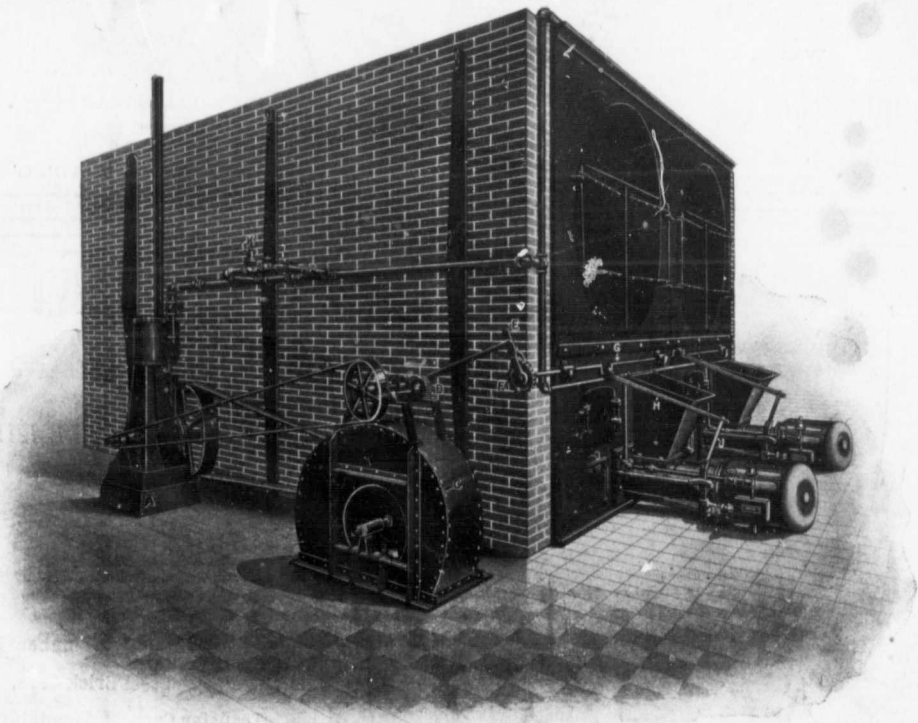

TORONTO, SEPTEMBER 11, 1908.

New Series—Vol. 1. No. 2.

ON ACCOUNT

of the Net Saving in Coal, install

Jones Under-feed Automatic Mechanical Stokers

The chief thing to consider in Steam Plant equipment is the efficiency obtained from the fuel burned.

Greater economy is obtained by the use of Jones Stokers than by any other method of burning coal. Write us for full information.

JONES UNDER-FEED STOKER COMPANY, Limited

512 Coristine Bldg., Montreal
