THE WAY TO HEALTH

SEND THIS COUPON AND GET IT FREE

The little coupon which is appended to the bottom of this advertisement, mailed to me, will bring you a book which has opened the eyes of thousands of suffering men and women to the newest, easiest and cheapest way to health and vigor. It is yours, sent by mail, free, if you will send this coupon.

DR. McLAUGHLIN'S ELECTRIC BELT WITH FREE ELECTRIC SUSPENSORY FOR WEAK MEN

Pours new life into weak, debilitated men, builds up nerve and vital force, cures Varicocele, Nervous Debility, Rheumatism, Back Pains, Weak Kidneys, Stomach, and revives the spark of youthful energy, giving back the old, vigorous animation. It makes strong, husky and vigorous specimens of manhood. (It is just as good for women as for men.)

NO MAN SHOULD BE WEAK.

No man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer for the sins of his youth, when there is at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the ailments from which men suffer can be traced to it. I have cured thousands of men who have squandered the savings of years in useless doctoring. An old man of 70 says he feels as strong and young as he did at 35. That shows it renews the vigor of youth. It cures Rheumatism, Sciatic Pains, Lumbago, Kidney Trouble. It banishes pain in a night, never to return.

My Electric Belt with Special Electric Suspensory (free), will restore your power, and will give back the old vigor of youth. I know how skeptical people are after paying out hundreds of dollars without getting any benefit, and know that many would pay after they were cured. To those I say, set aside those prejudices, give me evidence of your honesty by offering me reasonable security for the Belt. I will arrange it with necessary attachments suitable for your case, express it to you, and you can

Wear it Until Cured and Pay Me When the Work is Done.

Use My Belt and Be Strong.

My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old style belts) and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

Cured By My Belt, and Has Laid It Aside.

LONDERSBORO, Ont., Jan. 11, 1905.
 DR. McLAUGHLIN: Dear Sir,—I write you to let you know that your Belt helped me wonderfully. I am well satisfied. I feel well, and can work without being fatigued and done out like I used to be. I quit wearing the Belt in the early part of the summer, as I do not need it while I feel as I do now, nor have any desire to unless my trouble should come back on me, which I don't think can possibly occur. Yours very truly,
 JOSEPH C. CARTER.

This drain upon your power causes all kinds of debility and Stomach Ailments. You know it's a loss of vital power and affects every organ of the body.

Every man who uses my Belt gets the advice and counsel of a physician free. I give you all that any medical man can give, and a lot that he can't. Try my Belt. If you can't call, write me to-day for my beautiful illustrated book with cuts showing how my Belt is applied and lots of good reading for men who want to be "The Noblest Work of God"—A MAN. Inclose this coupon and I will send this book, sealed, free.
