We manufacture these—neat, natty, strongly built, made to last, made right. If you will paint them once a year, we will guarantee them for ten. Better than that—with reasonable care, they will last an ordinary lifetime.

Our faith in them is such that if they are not as represented when they reach your station, you may return them at our expense. Can we make you a fairer or more liberal offer?

You want them. You need them. Send order. Do it now. We will be delighted to correspond with you. Write us. Get our free catalogue. Ask your implement agent about them.

THE NEW QUICK WAY TO CURE RUPTURE

Is Without Operation, No Pain, No Danger, No Loss of time From Daily Work.

This Remarkable Simple **NEW WAY TO CURE RUPTURE** has opened up a new era in the treating of this terrible danger-ous, dreaded, hitherto considered incurable malady, Rupture. You ruptured people who have borne the painful agonies of Rupture surely will be glad to see this notice, for it means a NEW lease of life for you—one free from pain and suffering. Won't it be grand to be cured? You can be sure—hundreds of Canadians have been. Cut out this notice. Mark on the diagram position of Rupture. Answer questions and send all to me at once. I will send you **Free A FREE TEST** to show you how quickly you can be cured right in your own home. I'll also send you a valuable Book of Information for the Ruptured. You must write for these at once. Remember they are **FREE**. No ruptured person who has had these would part with them for money. You wouldn't either. Write at once.

GOSSIP.

CLYDESDALES AT AYR.

At the Ayr (Scotland) Spring Show, April 23-24, an uncommonly strong show of Clydesdale mares, fillies and colts were forward.

The brood mare class was scarcely as strong as at Kilmarnock, but it was perhaps better judged. Mr. Robert Chapman, Glenboig, was first with his beautiful mare, Winsome Baroness, bred at Glasnick, which the Kilmarnock men placed third. This is one of the most typical Clydesdale brood mares seen for a long time, and Baron's Pride has rarely bred a better one. Mr. James Kilpatrick, Craigie Mains, was second with a roan three-year-old mare, by Prince Alick. She stood in the same place in her own class, and is a level, well-balanced, useful sort, with good feet and pasterns. Mr. Robert Forrest's noted Knockinlaw Jean, which stood second at Kilmarnock, was third. The yeld mare class was led by Mr. Ernest Kerr's famous Pyrene, the Kilmarnock winner, looking fit and well. Mr. A. B. Matthews had a good second in his fine mare, Queen Alexandra, by Labori, and two daughters of Baron's Pride were third and fourth, viz., Mr. W. Kerr's Eliose, from Houdston, a big mare with good class of bone, and Mr. John Weir's Lonely Star, from Townhead, Lanark. In a capital class of three-year-old fillies, Mr. J. Ernest Kerr's dark-colored Veronique, by Montrave Ronald, added to her numerous laurels, and was an outstanding winner. Mr. James Kilpatrick's roan mare was second, and the third was Mr. William Dunlop's Jean Lindsay, by Dunure Castle, out of Solway Queen. She was second at Kilmarnock. Mr. George Alston's Lady Rosa, by Baron's Pride, again followed her, as at the earlier show, taking on this occasion fourth place. Mr. John McMillan, Barneil, Kirkmichael, came fifth with Labidora, by Labori, a good kind of mare, and the sixth was Sir John Stirling Maxwell's Minnehaha, by Hiawatha. The two-year-old class was robbed of much of its interest through the absence of the Kilmarnock champion, Minnewawa, on account of the lamented death of her owner, Mr. St. Clair Cunningham. In her absence, first place was assured to Mr. J. Ernest Kerr's Baron's Pride filly, Delicia, which stood second at Kilmarnock. Sir John Stirling Maxwell, of Pollok, Bart., was second with his white-legged Hiawatha filly, Wenonah, looking a deal better than she did ten days ago. A newcomer was third in Mr. James Calder's big filly from Ardargie, Bridge of Earn, which stood second at Perth last year. She was got by Royal Favorite, out of Gitana, and is a filly of extra size, with good feet and legs. In a very big class of 31 yearling fillies, Robert Park's Marmora, by the great horse, Marmion, was first. She was second at Aberdeen and third at Kilmarnock, and this time got up dux. She looks like an improving filly. Sir John Gilmour's black filly, Brenda of Montrave, by Baron o' Buchlyvie, although only placed fifth at Kilmarnock, was second, and Mr. George Alston's Revelanta filly, bred by Mr. Alex. Forrest, Abercainey, which stood sixth at Kilmarnock, was placed third. Mr. James Calder, of Ardargie, had fourth with a filly by Royal Favorite, out of Princess Roberta, very good at the ground. A Marcellus filly, owned by Mr. Wm. Murray, Borrowmoss, Wigtown, and a noted winner in Galloway as a foal, was fifth. The Derby stood: 1, Mr. Park's Marmora; 2, Brenda of Montrave; 3, Mr. Alston's, by Revelanta; 4, Mr. Murray's Sweet Melody. The female championship was awarded to Mr. J. Ernest Kerr's Veronique, the reserve being Mr. Chapman's Winsome Baroness, and the second reserve, Mr. Kerr's Pyrene. The Clydesdale Horse Society's medal was won by Marmora over Delicia.

In the best class of three-year-old stallions probably ever seen at Ayr, Mr. James Kilpatrick, Craigie Mains, was first with the handsome sweet horse, Hapland's Pride, by Hiawatha, bred by Mr. Motion, and reserve for the Glasgow prize at the Stallion Show. Mr. Geo. A. Ferguson's handsome, solid big horse, Allandale, by Sir Hugo, which beat Hapland's Pride in the open class at the Stallion Show, was placed second. Mr. Thomas Smith, Blacon Point, Chester, was third with the grand big, thick

A WOMAN'S BACK IS THE MAINSPRING OF HER PHYSICAL SYSTEM.

The Slightest Back-ache, if Neglected, is Liable to Cause Years of Terrible Suffering.

No woman can be strong and healthy unless the kidneys are well, and regular in their action. When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to have filtered out of the blood are left in the system.

The female constitution is naturally more subject to kidney disease than a man's; and what is more, a woman's work is never done—her whole life is one continuous strain.

How many women have you heard say: "My, how my back aches!" Do you know that backache is one of the first signs of kidney trouble? It is, and should be attended to immediately. Other symptoms are frequent thirst, scanty, thick, cloudy or highly colored urine, burning sensation when urinating, frequent urination, pulling under the eyes, swelling of the feet and ankles, floating specks before the eyes, etc.

These symptoms if not taken in time and cured at once, will cause years of terrible kidney suffering. All these symptoms, and in fact, these diseases may be cured by the use of

DOAN'S KIDNEY PILLS

They act directly on the kidneys, and make them strong and healthy.

Mrs. Mary Galley, Auburn, N.S., writes: "For over four months I was troubled with a lame back and was unable to turn in bed without help. I was induced by a friend to try Doan's Kidney Pills. After using two-thirds of a box my back was as well as ever." Price 50 cents per box or three boxes for \$1.25 at all dealers, or sent direct on receipt of price.
