## A WAR-TIME NECESSITY

LIFE was never so uncertain as *now*—and nothing is so comforting, perhaps, when sorrow and adversity come, as the knowledge that our savings are there—a present help in time of trouble. This is guaranteed you if you are the happy owner of a good life insurance policy. "War's diminishing dollar" in every other kind of investment is reduced to little more than half its former value.

## THE CONTINENTAL LIFE INSURANCE COMPANY, TORONTO

is one of Canada's soundest life insurance institutions, whose record for nearly twenty years is one of steady progress and continuous financial growth. In 1917 THE CONTINENTAL LIFE wrote the largest business of any year in its history, adding in round numbers a Million-and-a-Half Dollars to the total amount on the books, which was \$12,031,151 on the 31st December last. The Company's reputation for prompt payments and liberal treatment of policyholders is unsurpassed.

Let us explain our monthly Income Policy and other Plans suited to your requirements. While in good health

See your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.

## A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustee of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
