

DOCTORS SAID CUT OFF!

Zam-Buk Saved Odd Fellow's Finger

"The only thing I can do now is to take the finger completely off. It cannot otherwise be cured." So said one of the leading doctors of Toronto to Mr. W. C. Edwards, P.D.C.R.A.O.F., P.G.M.I.O.O.F., the well-known Friendly Society leader, of Peter Street, Toronto. Zam-Buk proved otherwise. Mr. Edwards cut his finger badly and blood poisoning followed. He says:

"The blood poisoning spread up my hand and arm and caused me terrible agony. After two months' treatment the doctor said there was no cure, and amputation would have to take place if I intended to save the arm. My hand at that time was all swollen up and discolored, and I had to carry it in a sling. I left that doctor and consulted another. After a few weeks' treatment he also told me that operation would be necessary. That night I bathed the wound and put on some Zam-Buk. I got a little sleep for the first time for many nights. In the morning the wound began to bleed instead of the foul discharging as in the past. This was a healthy sign so I went on with the Zam-Buk. Well, to cut a long story short, in a few days I put away the sling and in a few weeks the finger was healed completely. To-day that finger is as sound as a bell and I owe it to Zam-Buk. I spent over \$20 in doctor's fees and yet Zam-Buk, at such a trifling cost, saved me from amputation."

Zam-Buk cures eczema, ulcers, cold sores, chapped places, cuts, burns, bruises and all skin injuries and diseases. Also cures piles. All druggists and stores for a box, or post free Zam-Buk Co., Toronto, for price.

SPIRIT OF PHOTOGRAPHS.

Rector of Stockton, Warwickshire, Exhibits Them.

Archdeacon Colley, rector of Stockton, Warwickshire, England, at the close of a sermon on spiritualism at Manchester the other night exhibited a series of what he called spirit photographs.

One of them taken in March last outside his residence, showed the archdeacon's mother, who died fifty years ago, and his father, who died in 1891, aged 81. The mother was never photographed during life, but her likeness had been recognized by hundreds in Leamington.

In the second photograph, taken half a minute afterward, the father and mother had changed places, and the archdeacon deduces from this a double parental blessing on what he calls his anti-Saducee work.

"Seventeen years in the higher life," said the archdeacon, "appear to work for making my father in the spirit photograph look somewhat younger than in the negative I took of him three years before he departed this life."

Another print shown looked, as the archdeacon said, like a psychic fog, but in the midst of the black blotch could be clearly deciphered some archaic Greek characters, and around them in ten concentric lines some microscopical writing which, the archdeacon said, contained a message from a friend who had been dead for twenty-five years. The Greek characters, interpreted recently by Sir Oliver Lodge, were a quotation from St. Luke, chapter 17, 4th and 5th verses, but seven words were missing.

"This photograph, or rather, psychograph, was taken," said the archdeacon, "without a camera. I went to a friend's house and took out three plates and put them into envelopes. I initiated them, sealed them, and retained possession of them in my hands, and no soul touched them. I took one plate between the palms of my hands, my friend clasped my hands and a lady placed her hands above and below his. My friend then went into a trance. In a short time he said: 'They are writing.'"

MONEY.

If all men could make money as easily as they can lie, almshouses would soon belong to the has-been class.

As only a little over one acre in a hundred of Ireland is under timber, great results are expected from the afforestation movement now in progress.

The Most Popular Pill.—The pill is the most popular of all forms of medicine, and of pills the most popular are Parmelee's Vegetable Pills, because they do what it is asserted they can do, and are not put forward on any fictitious claims to excellence. They are compact and portable, they are easily taken, they do not nauseate nor gripe, and they give relief in the most stubborn cases.

It's a gay old world when you are gay and a sad old world when you are sad. It all depends upon the point of view.

Do not let a cold settle on your lungs. Resort to Bickle's Anti-Consumptive Syrup at the first intimation of irritation in the throat and prevent disease from lodging in the pulmonary organs. Neglected colds are the cause of untold suffering throughout the country, all of which could have been prevented by the application of this simple but powerful medicine. The price, 25 cents, brings it within the reach of all.

THE PERISCOPE.

Under this name Commandant Soulie de Cenac of the French Legion of Honor has designed a pince-nez, or eye-glass, which enables the wearer to see at the same time on all sides, and even behind. This is ingeniously effected by means of reflections. At the same time the glasses are so constructed as to correct myopia, and other errors of vision. A use for the instrument that the inventor did not think of has been revealed to him by deaf persons employing it. They say that it increases their safety by enabling them to perceive the approach of dangers of which their ears give them no warning.

THROW AWAY ALL YOUR FEARS

BACKACHE, GRAVEL AND RHEUMATISM VANISH BEFORE DODD'S KIDNEY PILLS.

Proved Once Again in the Case of Mrs. Fred. Krieger, Who Suffered From the Worst Form of Kidney Disease.

Palmer Rapids, Ont., Nov. 2. (Special).—The thousands of Canadians who live in daily terror of those terrible forms of Kidney Disease known as Backache, Gravel and Rheumatism, will be deeply interested in the story of Mrs. Fred. Krieger, of this place.

"I was for years a great sufferer from Kidney Disease, Gravel, Rheumatism and Backache," Mrs. Krieger states. "It all started through a cold, but I got so my head ached, I was nervous, my limbs were heavy, I had a dragging sensation across my loins, and I was totally unfit to do anything."

"Reading about wonderful cures by Dodd's Kidney Pills led me to buy some. After using a few I found they were doing me good and this encouraged me to continue their use. Eight boxes made me well."

"I have been able to do my own work ever since and to-day I am completely cured. Dodd's Kidney Pills gave me health and I feel like a new woman."

If you keep your Kidneys strong and healthy you can never have Backache, Rheumatism or Gravel. Dodd's Kidney Pills never fail to make the Kidneys strong and well.

Signals of Danger.—Have you lost your appetite? Have you a coated tongue? Have you an unpleasant taste in the mouth? Does your head ache and have you dizziness? If so, your stomach is out of order and you need medicine. But you do not like medicine. He that prefers sickness to medicine must suffer, but under the circumstances the wise man would procure a box of Parmelee's Vegetable Pills and speedily get himself in health, and strive to keep so.

"S-s-s-sus-say, Ma," stammered Bobby through the suds as his mother scrubbed and scrubbed him. "I guess you want to get rid o' me, don't you?"

"Why, no, Bobby dear," replied his mother. "What ever put such an idea as that into your mind?" "Oh, nothin'," said Bobby. "Only it seems to me you're tryin' to rub me out."

A FISH STORY.

An old fisherman, while fishing one day, was surprised at hearing a voice, and on looking up he saw that his visitor was a stranger, and this was the conversation:

Stranger—How's luck, old man?
Fisherman—Well, pretty fair; I caught 47 yesterday and seventeen to-day so far.

Stranger—Do you know who I am?

Fisherman—Don't believe I do.

Stranger—Well, I am the game warden.

Fisherman—Mr. Game Warden, do you know who I am?

Game Warden—No.

Fisherman—Well, I am the big gest liar in the country.
