## **TO CONTINUE** THE STRIKE

The Decision Arrived at by Cumberland Coal

Miners.

Developments in Fight for the Dunsmuir Property.

VICTORIA, July 9 .- The majority of

day to the extent of \$1000. The news that the government intends to enforce the coal mines act, excluding Chines from coal mines, no doubt influenced the men to stay out. A double shift of Asiatics was put on to work in numbers five and six pits this week, thus greatly increasing the coal output.

Mackenzie King, who has been working with Chief Justice Hunter and Rev. Dr. Rowe on the royal labor commission's report, left last night with that cocument for Ottawa to present it to the minister. It is expected that it will be submitted to the house before the fluxing. The president of the company close of the session. The report is a i. Charles Magee, of Chicago. Mr. Ma-gee is here directing the initial opera-

The big will suit brought by Edna Wallace Hopper, the actress, against Shipments will be made to the Granby James Dunsmuir, ex-premier and mine smelter at an early date. owner, seeking to break the will of his brother, Alexander Dunsmuir, on the grounds of undue influence and incomwas further adjourned this petency, morning. When the court reconvened this morning the plaintiff's counsel asked for an adjournment to allow of Sir Richard Musgrave, brother-in-law of James and the late Alexander Dunsmuir, coming from Ireland and a sister of the deceased Alexander Dunsmuir to come from Russia. Sir Charles Hibbert Tuprer, who has no status in the action but is watching the interests of Mrs. Joan Dunsmuir, mother of the defendant, and other members of the Dunsmuir family, stated that these witnes ses, who are held to be necessary by the

sent to the witnesses in Ireland and Pussia, and if they express willingness to come, the action may be adjourned unreliable, pending their arrival.

When the case of Edna Wallace Hoper vs. James Dunsmuir comes up again virgin districts. As a sample of the absolute unreliaunderstood that Mrs. Joan Dunsmuir, mother of James Dunsmuir, and bility of the bluebook on which he re-bis sisters will join issue with the well lied, Mr. Stinson states that in one inmuir, mother of James Dunsmuir, and known actress in the effort to break the will. Sir Charles Hibbert Tupper has been attending court as watching, great volume one mile above its conhas been attending court as watching great volume one mile above its con-counsel for Mrs. Dunsmuir and the sis-fluence with the Skeena river. A close ters of the defendant, and he requested that he be given a status in the action any waterfall at all. The report further stated that a large deposit of two days ago, but this request was refused, as the Dunsmuir family were not hematite existed at a certain point on a particular stream, but on reaching parties to the action. A company has been formed here, the ground Stinson couldn't find any headed by the Chemainus mills, to con- trace of hematite, and afterwards struct a five-masted schooner of 1600 learned absolutely that no such deposit existed. A third statement in the undoubtedly be to stimulate ore produc-report was that Douglas fir existed in tion in East Kootenay, Slocan and Lartons at Chemaiuns.

BOUNDARY COAL MINES. Decision to Bond the Property to an Eastern Man.

SPOKANE, July 10 .- The directors of the Boundary Coal Mines, Ltd., at a meeting last evening at the office of the company here decided by a unanimous vote to bond the property of the company to J. R. Carling of Exeter, Ont. The directors present were: C. E. Mitchell, president; E. T. Bartlett, vicepresident; W. H. Meyers, treasurer; 1 Percy F. Godenrath, secretary; W. E. Wing and George A. McLeod. J. R. Carling was also present at the meeting, accompanied by J. A. Mackay of Sag-inaw, Mich. The gentlemen represent New York capital which is going into the mines of the Boundary district upon

a large scale. The terms of the bond provide for the expenditure by the purchasing parties of sufficient money to put a diamond drill outfit upon the property and to thoroughly exploit the claims. Work is to be started within the next four weeks, by which time the property is to Le inspected by experts.

The deal provides for the formation of a company to be capitalized at \$2,-500,000, in which the Boundary sharais very firm. There are no surplus holders receive share for share. Of this stocks offering, and prices are firmly capital stock \$1,500,000 is to remain in maintained. Large shipments of fall the treasury.

orders are now being made. Payments The company was formed a few and maturing obligations are being well months ago by P. F. Godenrath and a number of local men. The capital is met, and mercantile failures are few. In Toronto there has been a very fair 1,200,000 shares with 500,000 in the treasmovement in mercantile trade this week ury. The property comprises 2560 acres in the North Fork coal basin, 50 miles for this season. Travelers are sending ir numerous and well distributed orders north of Grand Forks. George A. Mcfor the fall, and large distributing houses Leod, of Grand Forks, was instrumental in interesting the eastern parties.
