JOHN McCLOSKY, SILK AND WOOLLEN DYER AND CLOTHES CLEANER, [FROM BELFAST.]

No. 33, St. Levis Street, near Doneganas' Hotel,

Begs to return his best thanks to the Public
of Montreal, for the kind manner in which
he has been patronsed for the last four years, and
now craves a continuance of the same. He will
carry on his Trade as formerly in all its branches,
viz:—Dying all kinds of Silks, Satins, Crapes,
Woollens, &c.; as also, Scouring all kinds of
Silk and Woollen Shawls, Moreen Window Cuttains, Bed Hangings, Silks, &c., Dyed and Watered. He begs to state he has procured a new
Patent Watering Machine for Watering Silks.
Shopkeepers, Tradesmen, and others, who may
require anything done in the above line, will find
it greatly to their advantage to call on him. He
also engages to renew the colour of all sorts of
Woollen Cloths that has lost them, and to make
the cloth look as when new. All kinds of Stains,
such as Tar, Paint, Oil, Grease, Iron Mould, Wine
Stains, &c., carefully extracted.

N. B.—As many of my customers are of opinion
that I have opened another Establishment in Notre
Dame Street, I wish to correct the mistake, by
informing them that I have nothing to do with any
place but the above, and that I have leased the
same for six years from the 1st May.

Mr. LAROCQUE, proprietor of the PLANTAGE-NET MINERAL SPRINGS, has handed to us the following certificate from the Hon. A. N. Morin, Speaker of the Legislative Assembly. The numerous highly respectable signatures from medical men, as well as the attestation of a gentheman so highly respected and so well known as Mr. Morin, is a sufficient testimony of the valuable properties of these Waters:

MONTREAL, (Canada,) Nov. 12, 1849.

Montreal, (Canada,) Nov. 12, 1849.

I, Augustin Norbert Morin, of the City of Montreal, Speaker of the Legislative Assembly of Canada, do hereby certify that I am acquainted with Mr. LaRocque, proprietor of the Plantagenet Springs; that the Plantagenet Waters have been widely used in this city and district, and with marked advantage, as far as I can judge by universal report. I have looked to the printed paper hereto annexed, the original certificates not having been shown to me. I have no doubt of its genuineness, from the well known position of the medical gentlemen and of others who have signed, and from the publicity which these certificates have had in the newspapers. The physicians whose name they bear are among the most respectable of the Faculty. Mr. Hunt, the Chemist, is also well known to me. He has been, I believe, an occasional correspondent of Silliman's Journal, and his character and capacity are well established.

A. N. MORIN.

SIR,—At the request of Dr. Morin, my medical adviser, I was induced to take some of your really valuable Plantaganet Mineral Waters; and, for the benefit of my suffering fellow-creatures, and mankind in general, I cannot but bear my humble testimony to their beneficial effects. Having suffered, for some time back, from severe attacks of optical delusion, and derangement of the lower intestines, I was induced to try the Plantaganet Water, from the use of which I have derived incalculable benefit. If my testimony should appear to you likely to induce others to try the Water, you have my full consent to use it such manner as may seem most advisable to yourself. I subscribe myself, dear Sir, with gratitude, your obliged servant, (Signed)
