LESSON FOR DECEMBER 29. Joseph Cares For His Kindred.

LESSON TEXT-Genesis 47:1-12, GOLDEN TEXT-Honor thy fathand mother.—Ephesians 6:2. DEVOTIONAL READING-Psalms

ADDITIONAL MATERIAL - Gen esis 45:16-50:26.

Since we took the birth of the Saviour for our Christmas lesson, today, instead of a review, we will go back and take up the alternative les-

I. Joseph Sends to Canaan for His Father (45:17-28).

After Joseph had made himself known to his brethren he sent then back to his father in Canaan with the good news not only that he was alive, but that the Lord had exalted him to be lord over all Egypt, and that his father and brethren with their families should come down to Egypt where he would give them the best of the land and that they should eat of the "fat of the land." This illustrates how one day Jesus Christ shall disclose his identity to his brethren the Jews, and that his exaltation at the right hand of the Father was to make preparation for them against the awful day of trial which shall be visited upon them (Acts 3:19-21).

II. Joseph Meets His Father in the Land of Goshen (46:29-34).

Jacob experienced a double delight —that of seeing his beloved son whom he had long mourned as dead, and of being welcomed to the new and strange land by its prime minis-ter. Joseph instructed his father and brethren how to place their request before Pharaoh. Since their occupa-tion was that of shepherds he knew that some tact should be employed in their approach to the king, for "every shepherd is an abomination unto the Egyptians."

III. Jacob and Five Sons Present ed to Pharaoh (47:1-7). Though Joseph was high in authority he was not ashamed to bring his father and brethren into the presince of the great Pharach, though they were humble farmers.

1. Pharaoh's Question (vv. 3, 4), He inquired as to their occupation. They answered that both they and their father were shepherds. They went a little belond what shey were asked by Pharaoh and instructed to do by Joseph. They requested the land of Goshen, for they knew it was a good place for restaurance for their a good place for pasture for their flocks.

2. Pharach's Instructions to Jo eph (vv. 5, 6). He told him to make his father and brethren to dwell in ability among them to give them the charge of his cattle. He assumed that since Joseph was so capable and trustworthy that some of his breth-ren would also possess suitable quali-fications of administration.

IV. Jacob Blessed Pharaoh (47;

Though Jacob was a pilgrim in Egypt, dependent upon Pharaoh even for foed to eat, in the dignity of his faith of what God would do with him, and through him, he pronounced a The ball room was beautifully decorated with wreaths and festoons of evergreen, the stage being draped with a large Union Jack and the Stars and Stripes entwined. During the Christian the supper hour, a large table was housely into the kell room was beautifully defaith of what God would do with him, and through him, he pronounced a blessing upon the great Egyptian king. The less is blessed by the greater (Hebrews 7:7). Though the supper hour, a large table was housely into the kell room was beautifully decorated with wreaths and festoons of evergreen, the stage being draped with a large Union Jack and the Stars and Stripes entwined. During the supper hour, a large table was housely belong the supper hour, a large table was housely belong the supper hour. through the divine covenant he did not manifest officiousness, but rather the desire to convey a vital blessing He recognized that he was the chan-nel through which great blessings would come to Pharaoh, in accord-ance with the Abrahamic covenant (Genesis 12:1-3). Israel is one day to be the channel through which the blessings of salvation shall flow to the Gentile nations (Romans 11: 12-V. Joseph Nourished His Father and Brethren (47:11, 12).

and Brethren (47:11, 12).

According to the instructions of Pharaoh, Joseph placed his father and brethren in the best of the land and made provision for them. Jesus Christ will one day, when the famine of the great tribulation is exceeding sore, be reconciled to his brethren, the Jews, and will give them a possession in the best of the land and nourish them. Christ is now seated with the Father on his throne, and one day will reveal himself to his brethren the Jews and will feed them on the "fat of the land."

Jacob lived in Egypt 17 years, When the time of his death approached he exacted from Joseph a promise that he would bury him in Canaan. He blessed Joseph's sons and saued a prophecy concerning his own sons.

N the early days the founder of this busi ness made a few gross of matches a day, and sold them himself, driving his horse and wagon as far as Toronto. Today, from automatic machines, 70,000,000 matches a day are turned out to keep Canada's home fires burning. And not matches alone: indurated fibreware, household helps, and a host of paper products have been added to this line.

The House of Eddy has become an institution which touches the daily life of the Canadian public in a thou-

sand different ways. There is a reason back of this steady and consistent progress. Business institutions do not grow to such proportions by accident. It takes real merit to accomplish such a result; merit in the goods themselves, and in the concern which is back of them.

When you buy matches, see that Eddy's name is on the box. When you are in need of some of the familiar household helps, such as a washtub, a pail, or a washboard, remember that there is an Eddy product which will fill your needs, made from light and durable Indurated Fibreware. Remember also that Eddy's Paper Specialties are standard.
