the great English statesmen were accused of most serious mistakes yet the great heart of the flation has confidence in them TMr. Foster spoke of the thrill which stirred the Dominion as Sir Robert sent his message from a sick bed that Canada would raise half a million men to carry on the war. He showed the difference in states menship between Borden and men to carry on the war. He showed the difference in statesmenship between Borden and Laurier and how the latter and his party had used everything for political advantage. As regards graft under this and the former government he showed how small had been the money wrongly appropriated under the millions of war and other contracts given while in one contract given by the Liberals over \$40.000 was shown to be graft.

Mr. Foster said he did what was of material service to the people of kings. County at a critical time, arranging for the purchase of home server and he profited not a ced.

One of the speakers at the recent Liberal gathering said he must raise the moral time of Kentville. That person hastraised a lot of things liefore he got to this moral tone raising. Mr. Foster called tipon the Association to go forward with their work of organization and any inate the candidates they wanted and not allow the dictation of opponents in such matters. All

Resolutions were passed ing confidence in R.L. Bors his government. Mr. C. Ill. ner and his followers fax and the late members de W. Foster acceptant
