THE TROUBLE FROM DOVER

Investigation Into Charges
Of Graft, Against The
Clerk, Commenced

TO COME UP ON MONDAY

The investigation into the charges
of graft, made by Mr. Leonard in
his newspaper, the Wallaceburg Her-
ald-Record, against Dover Township
Clerk Welsh, was commenced this
morning in Judge Bell's chambers.
The investigation arises out of an
article which appeared in the Herald-
Record, in which it was hinted that
the Clerk received a rake-off out
of the township printing.

The township council, after cer-
tain statements made in connection
with the affair by the Clerk, who
denied the charge, ordered that this
investigation be held in order for
the Clerk to be given a chance to
vindicate himself. Fred Stone ap-
pears for Mr. Leonard, O. L. Lewis
for Mr. Welsh, and W. E. Gundy for
the township.

Certain papers relative to the af-
fair to be used as exhibits, were
fired this morning, and an adjourn-
ment was made until Monday morn-
ing next at ten o'clock.

Mr. Gundy asked the Judge to de-
fine Mr. Stone's position in the mat-
ter, and the Judge decided that when
the evidence is heard, that the
charge of graft, and the examination
of witnesses, and Mr. Stone will have
an opportunity to examine further
if he wishes to, on matters relative
to the issue. Mr. Lewis will have
the right to cross-examine the wit-
nesses.

The adjournment will give the par-
ties interested a chance to look over
the exhibits.

SPORT

FOOTBALL

A very exciting football game was
played last evening on Tecumseh
Park between the city team and the
LaCroix St. boys. The game was in
favor of the city team by a score
of 2-1. The LaCroix St. boys played
a very fast game and are the
makings of a strong team, but the
city team had the advantage over
them in combination. The line-ups
were as follows:—

CITY TEAM.
Goal—Dyer.
Backs—Fox and Humphrey.
Half-Backs—Bedford, Abraham
Scotchie.
Forwards—Martin, Parrott, Greg-
ory, Newby and Cummings.
LACROIX ST. BOYS.
Goal—Dyer.
Backs—Johns, Jordan.
Half-Backs—Walker, Laurin, C.-
lins.
Forwards—McKie, McComb, Shaw,
Jenks and Morrill.
Referee—Harrington.
Goals scored by Newby and Greg-
ory for the city team, and McKie for
the LaCroix St. boys.

A COUNTY LEAGUE.
A large and enthusiastic meeting
of representatives from the different
county football teams was held in
the purpose of forming a county
league. The meeting was well at-
tended, and the greatest interest
was displayed by all those present.
It was decided, upon motion, that
such a league should be formed.
Accordingly, the following officers
were elected:—

Hon. Pres.—Geo. Langford, Sr.
Hon. Vice-Pres.—James Fox.
Pres.—R. A. Harrington.
Vice-Pres.—Geo. Meynell.
Secy.—Treas.—P. H. Parrott.
Protest Committee is to consist of
officers-elect and a representa-
tive from each of the competing
teams.

The following rules are to govern
the league:—

1. Each team wishing to enter the
league must have in the hands of
the Secy. a fee of \$1 on or be-
fore the 22nd of September.

2. Only persons residing in the
county will be eligible to play with
any of the teams.

3. League games must start with-
in one-half hour of the advertised
time.

4. President shall appoint all
referees.

A letter was then read by Chair-
man Chas. Cumming from H. S.
Clements, M. P., in which he ex-
pressed his approval of a county
league, and placed at the hands of
executive a handsome silver trophy.

Another letter was then read
from A. B. McGee, M. P., in
which he stated that it would give
him much pleasure to donate eleven
gold medals to the winning team.

Both of these kind offers were
graciously accepted by the meeting.
A hearty vote of thanks was tend-
ered these gentlemen for their lib-
eral donations.

Mr. Geo. Meynell, who was pres-
ent at the meeting, then gave a
short address, in which he congrat-
ulated the different teams of the
county and presented the Chatham
team with twelve handsome even-
gers. Mr. Wm. Stone in a likewise
manner donated the caps,
while Mr. Roy Tobey of the 2 T's,
furnished the rest of the outfit.

P. S.—The game between St.
Thomas and Chatham, Thursday of
this week, at 5 o'clock p. m., on
Tecumseh Park is looked forward
to as a good fast game.

To Take Over Dockyards.
Ottawa, Sept. 8.—It is understood
that the Halifax Dockyards will be
taken over by the Canadian Govern-
ment from the Imperial authorities
early in October. Negotiations for
their transfer have been in progress for
some months past. The property is
worth several million dollars, and in-
cludes a number of valuable residences.

Power For Belleville.
Belleville, Sept. 8.—The city council
has appointed a committee to ascertain
how many power users in the city will
undertake to use power to be provided
by the Hydro-Electric Power Commis-
sion. The committee is to make an
application being made to the Commis-
sion for power for the City of Bel-
leville.

Blames For Wreck, Suicide.
Mattoon, Ill., Sept. 8.—J. O. Backus,
assistant superintendent of the Central
Illinois Traction Co., committed suicide
by shooting yesterday, following the
verdict of a coroner's jury fixing on him
the blame for a wreck on the road
two days ago, in which the motorman
was killed and several passengers se-
riously injured.

CHIEF HOLMES GETS A SHOCK

He Is Surprised At The
Honesty Of A Woman In
Dresden

MORE OF GAMBLING CASE

"Do I look well?" was Chief
Holmes' remark to The Planet's Po-
lice Court reporter this morning.

The reporter took a second look
but could not notice that the chief
had become any thinner. He hadn't
even commenced to lose his healthy
red cheeks. It was noticed that the
chief showed the effects of the
heat, as is the custom with all
people of similar dimensions these
warm days. Apart from this, there
was nothing noticeable to cause any
particular alarm.

"Well, I shouldn't look very well,"
he continued, "for I was paralyzed
this morning."

And then he pulled out a letter,
the reading of which, a few hours
previous, had caused him to experi-
ence a narrow escape from heart
failure.

It has been the custom for some
time for the ladies of the Home for
the Friendless to leave with the
Chief a pass book, from which he
can issue passes to people whom
the ladies send to him, and who are
stranded in Chatham and wish to
go home. A few weeks ago he was
called upon by a young woman
who wished to get railroad fare to
Dresden, and as she had no money
she applied to the Chief. The Chief
issued the pass, as the woman seem-
ed to be quite worthy and deserv-
ing.

When the pass is given out in
such cases the Chief generally
makes the receiver promise to send
the money back, at the earliest pos-
sible moment, and in every case,
the applicant being anxious to get the
pass, the promise is quickly and wil-
lingly made. It was so in the case
of the woman in question, and sure
enough, true to her promise, the
money was sent back this morning
by private messenger.

The chief could not believe his eyes
when he saw the money, for it was
the first time in the history of the
Chatham Police Court that money of
this kind has been returned. The
amount was 40 cents.

"It only goes to show," said the
Chief, "that there are a few honest
people left in this world, and
charge we find them even in the
Police Court."

Another information was laid yes-
terday afternoon against the man
who was convicted of keeping a
common gaming house. The new
charge is of selling liquor without
a license. The case will come up
later.
